A Waltz Along the Danube

Rising in the Black Forest Mountains of western Germany and flowing more than 1,700 miles to the Black Sea near the Romanian coastline, the mighty Danube River has long enchanted kings and rulers, nobles and peasants, merchants and traders. As the second-longest river in Europe, its path encompasses ten countries and a bend between the Transdanubian Mountains and North Hungarian Mountains designated noteworthy by UNESCO World Heritage Sites. Symbols of its commanding history punctuate the shoreline. Budapest, the Pearl of the Danube, straddles its currents, while cathedrals and palaces crown the surrounding hillsides of Linz and Melk, Austria, recalling days of medieval kings and Mozart himself.

Rhine River Majesties

Its significance to the enriching social landscape of Europe is unrivaled, as the Rhine River has unified and divided its surrounding territories for centuries. It has starred as the picturesque backdrop in literary masterpieces of the region, and acted as a centerpiece of trade and transport for its citizens. Flowing nearly 800 miles through six countries, beginning in the Swiss Alps and spilling into the North Sea, the Rhine kisses the shores of more famous cities than virtually any other waterway in the world. Basel, Strasbourg, Cologne, and many other centuries-old and culturally precious locales reach its banks, while the Rhine's surrounding castles and breathtaking landscapes still present legendary vistas that few modern marvels can match.

Treasures of the Rhine, Main & Danube Rivers

Picture-perfect scenery lines the longest eastern tributary of the Rhine River, as Germany's Main River is formed by the confluence of waterways descending from the Fichtel and Fraenkische mountains, converging in harmony to flow into Bamberg. Wholly enveloped by the German states of Bavaria, Baden-Württemberg and Hesse, the vineyard-cloaked hillsides of Würzburg and the skyline of Frankfurt adorn its banks. Along nearly 600 flowing miles are havens and hamlets that beckon to bygone eras, as the Rhine, Main and Danube rivers take their place in the European region's history with stories waiting to be discovered.

# BEFORE YOU SAIL

## AIR TRANSPORTATION/LUGGAGE

Please notify Crystal of your air details either by phone or on PCPC (**Priority Check-in & Planning Center**) to ensure you are on our river yacht manifests.

When making your own air arrangements, we recommend allowing a minimum of five hours between your flight arrival time and the river yacht's sailing time. Specific port and pier information and embarkation times are stated on your cruise ticket. Port authorities sometimes change the location of the pier or berth number, so be sure that you actually see your river yacht when you arrive at the port/pier. **You must be on board the river yacht at least two hours prior to sailing. If the river yacht is scheduled to remain in port overnight or has a scheduled departure time after 9:00 pm, please plan to be at the pier no later than 7:00 pm for security clearance and check-in.**

When planning your return flights, please take into consideration the date and time the river yacht docks at the final port. Disembarkation usually starts around 8:00 am, and all guests must disembark the river yacht by 10:00 am. Times may vary if the river yacht is in port the night prior to disembarkation. Before booking your departing flights, please also take into account the time needed at the airport for airline check-in and security procedures. Some cities require a longer transfer time due to travel time to the airport. If you are making independent reservations to fly home directly after the cruise, your travel agent should contact Crystal's Reservations for flight departure guidelines, which vary by cruise itinerary and port.

Guests should contact the airlines directly to add frequent flyer numbers for mileage accrual, secure seat assignments, arrange for special service requirements, and provide a personal phone contact for last-minute flight updates.

Flight schedules sometimes change. We strongly suggest that you reconfirm all flight numbers, flight times, check-in times, departure terminals and locations, and seat assignments for both outbound and return flights 96 hours prior to departure.

## BAGGAGE, VALUABLES & OTHER POSSESSIONS

Guests may bring aboard the river yacht a reasonable amount of clothing and personal effects without charge, subject to airline restrictions. All baggage must be securely packed and distinctly labeled with the guest's full name, the name of the river yacht, the suite number for the guest and the sailing date of the river yacht. All checked baggage must be locked.

Guests must personally carry baggage containing breakable items and valuables, including but not limited to jewelry, watches, money, precious stones and metals, securities, checks, other financial instruments and/or tickets, at all times during transit, including but not limited to on and off the river yacht. **Guests should not give such baggage containing breakable items or valuables**

**to anyone at any time**, including but not limited to porters, river yacht personnel or anyone else who is not known personally to the guest, regardless of any assurances given that it is safe to do so, at any time, including during transit to and from the airport, arrival at the river yacht, boarding and checking into the guest's suite, or at any other time while traveling. **Such baggage is the full and sole personal responsibility of the guest at all times and may not be included with checked baggage.**

Guests are personally responsible for their baggage throughout the travel process and should personally ensure that their valuables are carried to their suite and stored appropriately in the suite safe or in the ship safe available at the Reception Desk. **Crystal River Cruises is not responsible for loss of or damage to any such items.**

Each suite is equipped with a personal safe. Because guests must assume full responsibility for items kept in their suite, we recommend that items of special value be placed in the complimentary safe at the Reception Desk.

## BOARDING THE RIVER YACHT

**At most embarkation ports, the river yacht is usually available for guests boarding after 12:00 pm (noon). Suites are available for guest occupancy by 3:00 pm.**

The exact embarkation and sailing times are specified on your cruise ticket. In order to embark, all guests must carry a passport that is valid for six months after the end of the cruise, and with at least four blank pages available for visas (as applicable) per advertised voyage number.

Each time you leave the river yacht and re-board in ports of call during your cruise, you will be required to show your room keycard at the gangway.

On embarkation day, you must be on the river yacht at least two hours prior to scheduled sailing. If the river yacht is scheduled to remain in port overnight or has a scheduled departure time after 9:00 pm, please plan to be at the pier no later than 7:00 pm for security clearance and check-in. Once you are on board, our Six-Star crew will welcome you and assist with your hand luggage. Your remaining luggage will be delivered to your suite.

**On succeeding cruise days** (cruise day two through the last cruise day or night prior to disembarkation), all guests must be on board the river yacht no later than **30 minutes prior** to scheduled port departure.

Upon check-in aboard your river yacht, a credit card must be registered for your onboard expenses. Registering your credit card provides you with the convenience of settling your onboard expenses using our Express Check-out System, ensuring a smooth and expeditious process at the conclusion of your cruise. You will receive an itemized statement delivered to your suite on the morning

of debarkation, and your credit card will be billed automatically through your credit card company. If you wish, at the conclusion of the cruise, you may elect to pay for your onboard expenses in cash. If you decide to pay for your expenses by cash, please notify the Reception Desk, and your credit card will not be charged.

### Evening Dress Code

Our evening dress code is Crystal Casual, a dressed-up version of casual looks. Please refer to the detailed dress code below.

Collared polo shirt  
Button-down shirt

Be sure to pack appropriately for all of your planned experiences. There are bathrobes and slippers in each suite for your use during the cruise. Other amenities include a hairdryer, ETRO soap, body lotion, and shampoo and conditioner.

## CRUISE TICKET/LUGGAGE TAGS

Your cruise ticket is enclosed with your travel documents; it must be in your possession, along with your valid passport, when you board the river yacht. Please read the complete terms and conditions on your cruise ticket, as you are bound by them.

**Prior to leaving for the airport, please be sure to complete and attach a Crystal River Cruises luggage tag to each checked bag so it can be easily identified upon arrival.**

## CRYSTAL SOCIETY®

If you have sailed with us before, you are a member of the Crystal Society and have a personal Crystal Society number. Please make sure your travel agent has this number to ensure that you receive your Crystal Society benefits and savings on future cruises. If you wish to redeem a Crystal Society Milestone on your cruise, it must be requested by your travel agent before you sail. Please refer to the terms and conditions of the Crystal Society Benefits Program for further information, available at [crystalcruises.com](http://crystalcruises.com).

## MEET & ASSIST

All airport/ship and ship/airport transfers on embarkation day are included for all guests. Each guest must advise Crystal of your air details either by phone or via PCPC to ensure that your name is on river yacht manifests.

All guests arriving by air (either international or domestic) must claim their luggage and clear customs and then will be met by our Crystal River Cruises representative in the arrivals hall (not in the baggage claim area). From there guests will be escorted to a motor coach.

## PASSPORTS/VISAS

**For international voyages, at least four blank visa pages are recommended per cruise.** For example, on a back-to-back voyage (two cruises), at least eight blank passport pages are recommended. Guests must take full responsibility for securing the required travel documents prior to departure. **Failure to comply may result in refusal of passage by Customs and Immigration authorities.**

### *Visa Requirements (U.S. Citizens):*

Currently, U.S. passport citizens do not require visas for river yacht sailings to Europe. It is always recommended that guests check with their travel professional for the most updated visa requirements.

### *Visa Requirements (Non-U.S. Citizens):*

As visa regulations vary for each nationality, we request that all non-U.S. citizens contact their travel professional or a local visa service to determine their individual visa requirements for **ALL** ports. Visa information may also be obtained through the local embassy or consulate of the countries you will be visiting. **It is the guests' responsibility to obtain all necessary visas.** Failure to comply may result in refusal of passage by Customs and Immigration authorities.

**Please note:** We recommend guests contact their travel agent to ensure they have secured all necessary visas and that all documentation is up to date. Crystal cannot be held responsible at the time of sailing for any visa information provided by us or travel agents, as visa rules and requirements change regularly.

## PRIORITY CHECK-IN & PLANNING CENTER (PCPC)

(Internet rates and/or packages are subject to change at any time.)

**Please note:** It is not possible to connect a laptop through the shipboard phone system directly to any phone number ashore. **Skype is not available on board.**

\*Reception throughout the world can vary and depends on satellite availability, which cannot always be guaranteed.

## SMOKING POLICY

Crystal River Cruises will allow smoking in a designated smoking area. Smoking is not allowed in public rooms, suites or any area that is not designated as a smoking area.

## SPECIAL NEEDS & OTHER ACCESSIBILITY INFORMATION

Crystal River Cruises is dedicated to providing a comfortable experience for all our guests. We make every effort to accommodate the needs of persons with disabilities. Crystal River Cruises does not discriminate against any person on the basis of disability.

There are no facilities for disabled guests; this includes: no handicapped/wheelchair accessible rooms, nor any access or assistance provided to disabled guests on embarkation or disembarkation.

For many reasons, embarkation and disembarkation present difficulties for guests with reduced mobility. Gangways are quite narrow, and there is frequently a need to cross other river ships to gain access to the pier.

### Going Ashore

Guests with disabilities/limited mobility should also note that not all ports are wheelchair accessible. Port access varies greatly around the world, and in most instances, the river ports are not wheelchair accessible. River cruising is not recommended to guests in wheelchairs.

Guests should be aware that some shore excursions include rough terrain, extensive walking over cobblestone streets, uneven pavement, and steps and locations that may not be easily accessible or accessible at all by wheelchair.

Crystal River Cruises reserves the right, without liability, to refuse to board or transport guests whose medical condition, limited mobility or disability is not compatible with security rules and requirements specific to the navigation area, or who, in Crystal River Cruises' opinion, are unfit for travel on the river yachts.

In the unlikely event of an emergency, all guests must be fully mobile and able to exit the river yachts safely. If guests are unable to meet the minimum safety requirements, even when provided with appropriate auxiliary aids and/or services, Crystal River Cruises may find it necessary to ask these guests to make alternative travel arrangements.

**All itineraries, fares, programs, promotions and policies are subject to change at the discretion of Crystal River Cruises. Crystal River Cruises reserves the right to correct errors or omissions and to change any and all fares, fees, promotions and programs at any time with or without notice. Refer to [crystalcruises.com](http://crystalcruises.com) for the most updated Terms and Conditions.**

### 2017-2018 TICKET TERMS & CONDITIONS

IMPORTANT NOTICE TO GUESTS: THE FOLLOWING TERMS AND CONDITIONS ARE THE ENTIRE AGREEMENT BETWEEN CRYSTAL CRUISES AND YOU. PLEASE READ THEM CAREFULLY, AS WE ARE BOTH BOUND BY THEM. THESE TERMS AND CONDITIONS ARE SUBJECT TO CHANGE WITH OR WITHOUT NOTICE. THIS IS A CONTRACT WHICH AFFECTS YOUR LEGAL RIGHTS, PARTICULARLY SECTIONS 17, 18, 20, AND 21 LIMITING CRYSTAL'S LIABILITY FOR YOUR DEATH, ILLNESS, INJURY, OR DAMAGE CLAIMS RELATING TO BAGGAGE OR PERSONAL PROPERTY, LIMITING YOUR RIGHT TO SUE, AND REQUIRING ARBITRATION AND WAIVER OF JURY TRIAL FOR CERTAIN CLAIMS.

**1. Definitions:** The term "Ticket" refers to the terms and conditions of this Ticket contract as indicated below. The term "Guest" refers to a passenger on the ship and includes every person named on the face of the Ticket; the term "Ship" includes the ship named in the Ticket or any ship substituted for the ship named in the Ticket, and its tenders or any other means of conveyance controlled by Crystal Cruises; the term "Crystal River Yachts" is equivalent to "Crystal Cruises" or "Crystal" and includes the Ship, its owner, operator, manager, charterer and agents, any and all affiliated or related companies and the sales representatives and all employees, officers, crew, pilots, and agents of such individuals and companies.

**2. Cruise Fare:** A) Cruise fare includes all normal shipboard services and facilities plus all nonalcoholic beverages, select wines and liquors, and gratuities for housekeeping, dining and bar staff. The cruise fare does not include cruise port, security, navigation, berthing, stevedoring, and baggage handling/storage charges, fuel surcharges, fees or charges imposed by governmental or quasi-governmental authorities, shore excursions, sightseeing or meals ashore, taxes, gratuities, visa fees, laundry or valet service, or any item or service whatsoever of a personal nature, such as any massage or salon services which may be provided onboard and for which separate charges may be imposed. Transfers between the airport and ship on the day of embarkation and disembarkation are included for full-fare Guests purchasing Crystal Cruises' Optional Air/Sea Program described below. Cruise fare does not include miscellaneous charges levied by the air carriers for services, including but not limited to luggage, meals, special seat assignments or any other airline-provided service, which are the Guest's responsibility. Details regarding such fees are available on the individual airlines' websites.

B) All offers may not be combinable with other promotions, apply to first two Guests in stateroom or Suite, are capacity-controlled, subject to availability and may be changed or withdrawn at any time. Crystal Cruises reserves the right to collect the rate in effect at the time of sailing, including, but not limited to, the fact that if the Guest is on a waitlist and is subsequently confirmed, such confirmation will be subject to Cruise Fares and Optional Air/Sea Program costs in effect on the date that the cruise is confirmed. Fuel surcharges may be added at any time to defray fuel cost increases, even if the Fare has been paid in full.

**3. Non-Transferability/Binding Effect:** The Ticket is valid only for the Guest or Guests named on the ticket for the date and Ship indicated. It may not be sold or transferred. The Terms and Conditions of the Ticket are binding on, and confer benefits to, the Guest, the Guest's spouse, heirs, executors, administrators, personal representatives, dependents and next of kin. The Guest represents and warrants that he or she is duly authorized by and on behalf of all Guests (including children) named on the Ticket to agree to all

of the terms and conditions of the Ticket and to bind all such Guests to such terms and conditions.

**4. Embarkation:** The Guest is required to be on board the Ship at least 2 hours before departure time. At the time of embarkation the Guest is responsible for having received all medical inoculations necessary for the voyage and having in his or her possession the Ticket, valid passport, visas and other documents necessary for the scheduled ports of call and disembarkation. If the Guest does not have proper documentation he or she will not be allowed to board the Ship.

**5. Cancellations or Category Downgrades Prior to Embarkation; Guest's Travel Agent:** Cancellation or category downgrade requests must be made by telephone or in writing to Crystal Cruises. The charts below set forth the time by which the request must be received by Crystal Cruises prior to the Optional Crystal Air/Sea Program or, for non-Air/Sea Guests, the Cruise, departure date ("Departure Date"), and the cancellation fee which will be charged. In the event of a cancellation, a full refund of Total Fare (including cruise, air, hotel and Extended Land Programs); and in the event of category downgrade, full refund of the cruise-only difference between the original category and the downgraded category, will be made to the Guest through the travel agent, except as noted herein below. Guest hereby agrees that losses sustained by Crystal in the event of Guest's cancellation would be very difficult or impossible to quantify, and that the fees set forth in the below cancellation or category downgrade charts represent a fair and reasonable assessment as liquidated damages. Since a cancellation or category downgrade likely means a diminished opportunity to sell the same space on other cruises, the cancellation fees in the charts below apply regardless of a name change or stateroom resale. See info below for appropriate voyage and year policy.

Such baggage is the full and sole personal responsibility of the Guest at all times. Such baggage may not be included with checked baggage. If a Guest travels by air or other transportation, the terms and conditions of the airline or other transportation provider apply to the Guest's carriage on those conveyances, and Crystal Cruises shall not have any liability for loss or damage to luggage, valuables and other personal belongings arising out of, or related to, such air or other travel.

A) Crystal Cruises provides an in-room personal safe for your convenience. However, Crystal Cruises shall not be liable, in any event, for any loss of or damage to money, jewelry, watches, precious stones and metals, securities, financial instruments, tickets, works of art, electronics, computers, digital or flash drive computer equipment, cellular telephones, cameras, video or audio tapes, CDs, binoculars, dental hardware, eyewear, hearing aids, medications, medical equipment, and/or other valuables.

B) All settlements will be made on the basis of actual cash value (replacement cost, less depreciation) to the extent of the \$250 limit of liability of Crystal Cruises. Claims for damaged items will be settled on the basis of cost of repair. No amount shall be paid in settlement of any claim without proof of the actual cash value, or repair cost, as applicable, arising from the loss or damage. Such proof must be sent to Crystal Cruises. Crystal Cruises' liability must also be proven before any settlement will be paid.

C) Personal belongings lost while unattended in public lounges or other public areas, whether on board the Ship or elsewhere, are not reimbursable. Losses due to ordinary wear and tear, perils of the sea, acts of God, or any other cause beyond Crystal's control are not reimbursable.

**8. Cruise Protection Program:** Crystal Cruises' Cruise Protection Program is insurance available for purchase by Guests. The Cruise Protection Program (including trip cancellation coverage) is administered by Aon Affinity - Berkely Travel. The Cruise Protection Program description of coverage may be obtained from the Crystal Cruises Desk at 1-800-521-4591 FREE or by writing to Crystal Cruises. The Cruise Protection Program is available at the cost in effect at the time of booking. If purchased, the Cruise Protection Program premium must be paid in full with the final cruise payment; it cannot be added at a later date and is not refundable under any circumstances.

A) Cancellation: Cancellation fees will be assessed according to paragraph 5, "Cancellations Prior to Embarkation." Refunds, if any, will be made to Guests who have purchased the Cruise Protection Program and only in accordance with the terms and conditions of the Cruise Protection Program.

B) Baggage Protection: Coverage for loss of or damage to baggage and other personal property of Guests who purchase the Cruise Protection Program is described in the Cruise Protection Program brochure. Such insurance coverage does not include any amounts or any property not specifically set forth in that brochure. Other than as elsewhere stated in this Ticket contract, Crystal Cruises shall have no liability of any kind for any reason for loss of or damage to baggage or personal effects.

**9. Itinerary/Right To Change/Detention:** Crystal Cruises reserves the right at its sole option and discretion and that of the Captain of the Ship without liability for damages or refund of any kind, to deviate from the Ship's advertised or ordinary itinerary or route, to delay, advance or cancel any sailing, to omit or change ports of call, to arrange for substantially equivalent transportation by another vessel and/or by other means of transportation, to cause the Guest to disembark from the Ship temporarily or permanently, to tow or to be towed or assist other vessels or to perform any similar act which, in its sole judgment and discretion, is justified for any

reason. Crystal Cruises may for any reason whatsoever cancel any sailing at any time before departure of the Ship. In such event, Crystal Cruises' only liability will be to refund to the Guest the amount it has received for the Ticket. If a voyage is cancelled due to mechanical failure of the Ship, the Guest will be entitled to a full refund of the cruise fare, or a partial refund for voyages that are terminated early due to those failures. If a voyage is terminated early due to mechanical failure of the Ship, the Guest is also entitled to transportation to the Ship's scheduled port of disembarkation or the Guest's home city, at the discretion and expense of Crystal Cruises, as well as lodging at the unscheduled port of disembarkation, if required, at the expense of Crystal Cruises.

## **10. Health/Pregnancy/Children/Disability/Wheelchair/Alcohol/Smoking/ Security/ Indemnification/Solicitation:**

A) The Guest represents and warrants that the Guest is physically, mentally and otherwise fit to travel; that Guest has received all medical inoculations necessary and that he or she will at all times comply with the Ship's rules and regulations and orders and directions of the Ship's officers and medical staff; that his or her conduct will not impair the safety of the Ship or inconvenience other Guests. Crystal Cruises is unable to accommodate women who will enter their 24th week of pregnancy before or during the cruise.

B) Unwed, unrelated couples must be 18 or over to be booked in the same stateroom. Crystal Cruises is unable to accommodate children under 6 months of age and reserves the right to restrict the number of those under 3 years of age aboard the Ship. Any child under the age of 18 must be accompanied by an adult over the age of 21. In addition, if the adult accompanying this child is not a parent, a "Parental Consent Guardianship Form" must be signed by a parent or legal guardian and received by Crystal Cruises at least 30 days prior to sailing. Guests age 17 and under must be in a stateroom either with a parent or a guardian over 21 years of age.

C) Guests with any disability, including those primarily confined to wheelchairs or scooters or who use service animals, are recommended to notify Crystal Cruises at the time of booking. Crystal Cruises recommends these Guests be accompanied by someone who is able to assist them both ashore and at sea. Guests acknowledge and understand that certain international, foreign or local safety requirements, standards, and/or applicable regulations involving design, construction or operation of the vessel, docks, gangways, anchorages or other facilities on or off the vessel may restrict access to facilities or activities for persons with mobility, communication or other impairments or special needs. Some ports of call are anchorage ports, and physical conditions may preclude these Guests from going ashore. This decision must be made by the Captain of the Ship based on safety and is binding. Guests requiring a wheelchair or scooter must bring their own. Motorized scooters must not exceed 22" in width. Crystal Cruises reserves the right to limit the number of scooters on board. Portable oxygen tanks and oxygen concentrators may be used on board, provided that Crystal Cruises' Onboard Guest Services is notified at least 30 days prior to sailing. Crystal Cruises has a limited number of accessible staterooms available on a "first-come, first-served" basis. Crystal Cruises is obligated by law to investigate and pursue those individuals fraudulently requesting and using accessible staterooms. Crystal Cruises understands a service animal to be any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Animals that are not trained to do work or perform tasks are not considered to be service animals. Emotional support animals, which provide emotional support, well-being, comfort, or companionship to an individual with disabilities but are not trained to do work or perform tasks, are not

considered to be service animals. Pets and other animals who are not service animals are not allowed on board the Ship.

D) The Guest hereby consents to a reasonable search being made of the Guest's person, baggage or other property, and to the removal and confiscation or destruction of any object which may, in the opinion of Crystal Cruises impair the safety of the Ship, be illegal or inconvenience other Guests.

E) Guest understands and agrees that Guests must be at least 18 years old to be served wine and beer, and at least 21 years old to be served spirits. Guest agrees not to attempt to provide or consume alcoholic beverages in violation of this policy, either for themselves or others. Guest agrees to consume alcoholic beverages only in moderation and Crystal Cruises reserves the right to refuse alcoholic beverages to any intoxicated or underage Guest. Crystal Cruises reserves the right to prohibit and retain all liquor brought aboard the Ship. Guest agrees to abide by this provision.

F) Guests shall observe the nonsmoking areas on board the ships. Smoking will be permitted in designated outdoor area(s). Indoor smoking is permitted only in the Connoisseur Club smoking lounge onboard Crystal Mozart. Smoking is prohibited in all other indoor areas of the ship including all other public rooms, lounges, corridors and restaurants, as well as all staterooms, suites and verandahs. If smoke is detected in a stateroom or suite, a cleaning fee of \$250 per occurrence will be billed to Guest's account. Fines will be charged for violations in accordance with this policy. If there is ongoing violation of the non-smoking policy, more stringent consequences, including disembarkation without refund, may be ordered by the Captain.

G) The Guest shall indemnify Crystal Cruises for all penalties, fines, charges, losses or expenses incurred or imposed upon Crystal Cruises or the Ship by virtue of an act or violation of law by the Guest.

H) The Guest agrees that he or she shall not solicit for commercial purposes Guests or others on board the Ship, or advertise goods or services on board the Ship without the prior written permission of Crystal Cruises. Solicitation by vendors of goods and services, including, but not limited to, solicitation by travel agents, is strictly forbidden.

## **11. RIGHT TO REFUSE BOOKING AND PASSAGE, CANCEL RESERVATION; CONFINE GUEST TO STATEROOM OR DISEMBARK GUEST.**

A) Crystal Cruises reserves the right to refuse booking of passage on a Cruise to any person or to cancel Guest's existing Cruise reservation for any reason and regardless of a Guest's Crystal Society level or existing benefits. Any person(s) refused booking or passage in advance of the scheduled sailing by Crystal Cruises will be given a refund of their Cruise Fare unless such refusal is due to the action or inaction of Guest. Crystal Society milestones have no cash value and therefore will not be refunded.

B) Crystal Cruises, without any liability, including liability for refund, payment, compensation or credit, except as provided herein, may disembark or refuse to embark Guest because of the action or inaction of Guest, confine Guest in a stateroom, quarantine Guest, restrain Guest, change Guest's accommodations or disembark Guest at any time if, in the sole opinion of Crystal Cruises, the Captain or any Doctor, Guest or any minor or other person in Guest's care during the Cruise are unfit for any reason for the Cruise, or Guest's presence might be detrimental to Guest's health, comfort or safety or that of any other person, or in the judgment of the Captain is advisable for any reason. The Captain of the Vessel has the right in his sole discretion to make decisions in this regard for the safety and security of the Vessel and the health, safety and security of those on board.

# TERMS & CONDITIONS

C) Crystal Cruises reserves the right to request a letter from Guest's physician attesting to Guest's fitness to travel, but by requesting such letter does not waive its right to disembark or refuse to embark Guest as set forth herein. If Guest is required to remain on board the Ship or elsewhere, due to injury, illness, or disability, or due to action of any government or authority, or for any other reason not the fault of Crystal Cruises, Guest must pay or reimburse Crystal Cruises for all resulting costs and expenses including for food, transportation, accommodation, medical and/or repatriation services including but not limited to such costs incurred by or on account of services provided by port agent and other shoreside service providers, including luggage shipping costs for Guest and those accompanying Guest. Guests who will enter the 24th week of pregnancy by the last day of the Cruise may not book the Cruise or board the Ship.

D) If the Guest is refused passage or leaves the Ship prior to the end of the cruise for any of the reasons described in this section or for other reasons including, but not limited to, personal, medical, or business reasons, Crystal Cruises will not be liable or required to refund any portion of the Ticket price, or to be responsible for any payment, compensation or credit of any kind or for any of the Guest's costs.

E) The provisions of Regulation 1177/2010 on Passenger Rights when Travelling by Sea and Inland Waterways will apply where the Port of embarkation is in the EU.

## **12. Independent Contractors/Shore Tours/Limit of Liability:**

A) Tours, including pre-cruise, post-cruise and other shore excursions, including hotels, restaurants and transportation, whether by vessel, air, rail, land or other means, not owned or operated by Crystal Cruises, are not under the operation or control of Crystal Cruises, and Crystal Cruises makes no representation of any kind as to them, and takes no responsibility for them, even if, as a convenience to Guests, Crystal Cruises provides an escort. Crystal Cruises takes no responsibility for air or other transportation under any circumstances. Guests must assume responsibility for their actions while ashore and for their participation in shore activities.

B) The Guest shall have no right to any refund and Crystal Cruises shall have no obligation or liability of any kind to the Guest for acts or omissions in connection with or arising out of arrangements with independent contractors since they are not agents or employees of Crystal Cruises. Arrangements with independent contractors include, but are not limited to, the following: i) services or products available for the Guest's convenience on board the Ship and furnished by barbers, hairdressers, manicurists, masseurs, spa operators, photographers, entertainers, instructors, lecturers and others; ii) services, products or transportation provided elsewhere than on board the Ship which are furnished by others in connection with sightseeing tours, pre-cruise and post-cruise tours, excursions and shore trips, including, but not limited to, tender service, whether arranged or organized by tour operators, travel agents or Crystal Cruises.

C) The independent contractors shall be entitled to charge for any products sold, services rendered or transportation provided to the Guest either directly or, as a convenience to Guests, through Crystal Cruises, for which services Crystal Cruises is entitled to impose a charge and earn a profit. Refunds will not be given for partially used services. No refund will be made for missed hotel nights or other program features due to airline delays or other factors beyond the control of Crystal Cruises. Hotel Programs and Extended Land Programs are subject to the same cancellation policy as described in "Cancellations Prior to Embarkation."

D) Guest and Crystal agree and intend that all rights, exemptions from liability, defenses and immunities of whatsoever nature referred to in the

Ticket applicable to Crystal Cruises and the Ship, including, but not limited to, Sections 5, 6, 7, 9, 11, 17, 18, 19, 20, and 21 shall in all respects inure also for the benefit of certain third parties including: the Ship's tenders, the officers, crew, pilots, agents or employees, and all concessionaires, independent contractors, physician and medical personnel, retail shop personnel, health and beauty staff, fitness staff, photographers, shore excursion providers, tour operators, shipbuilders and manufacturers of all component parts, launches, appurtenances, craft or facilities, regardless of whether provided at sea or on shore, and regardless of whether belonging to any such ship or owned or operated by its owners, operators, managers, agents, charterers, contractors or concessionaires.

E) Crystal Cruises will arrange air transportation upon a Guest's request as a separate service. If a Guest chooses this optional service, Guest authorizes Crystal Cruises to select the air carrier, routing and schedule and to substitute charter flights for scheduled air or vice versa. If due to any cause beyond our control, Crystal Cruises is unable to arrange for air travel or the air travel we arrange is unavailable or otherwise fails to materialize, our liability will be limited to refunding the optional air add-on amount paid to Crystal less any applicable change or special deviation fees. Crystal assumes no liability for any acts or omissions of any airline, including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. In arranging transportation, Crystal acts solely for the convenience of the Guest and not as agent or principal for the air carrier. The liabilities and obligations of an airline to the Guest and the Guest's rights as an airline passenger are governed exclusively by the terms and conditions of the airlines' tickets and tariffs.

Crystal Cruises does not own or operate the air carrier, ground transportation or hotels, and is not liable in any way for loss, damage, injury, illness or death arising in conjunction with the services provided by these independent contractors.

**13. Medical Treatment:** No doctor or nurse is employed by Crystal Cruises on the Ship. Any medical attention required or desired by Guest during the trip must be sought at local facilities. Crystal Cruises makes no representation or warranty that any such service is or will be available at any particular time or place. Guest shall be responsible for all costs and expenses of medical services, treatment, medications and assistive devices. Crystal Cruises shall have no liability for any cost of, or incurred in connection with, medical services, or for quality or any aspect of treatment Guest receives. Guest consents to receiving treatment by medical professionals designated by Crystal Cruises, and agrees to bear the cost of such treatment, in any circumstance in which Guest is or appears unable to request or authorize medical treatment and, the Ship's officer believes medical attention is necessary (even if such belief is incorrect).

**14. Payments by the Guest and Extra Expenses:** Any and all payments by the Guest to Crystal Cruises shall be made in currency of the United States of America, or other currency acceptable to Crystal Cruises. All charges for services and products provided on board the Ship must be settled in cash, traveler's checks, and personal checks to limits acceptable to Crystal Cruises or credit card acceptable to Crystal Cruises before the Guest's final disembarkation from the Ship. Any other expenses incurred by the Guest or by Crystal Cruises on behalf of the Guest shall be payable by the Guest on demand.

**16. Use and Display of Likeness:** Crystal Cruises has the exclusive right to include photographic, video and other visual portrayals of Guest in any pictorial medium of any nature whatsoever for the purpose of trade, advertising, sales, publicity or otherwise, without compensation to Guest, and all rights, title and interest therein (including all worldwide copyrights therein) shall be Crystal Cruises' sole property, free from any claims by Guest or any person deriving any rights or interest from Guest. Crystal Cruises publishes and distributes a Guest List during each Cruise upon request. Guests who do not wish to be included in the Guest List must so advise Crystal Cruises no later than the time of embarkation on the Ship.

Guest expressly agrees not to use any photograph, video recording or other visual or audio portrayals of Guest and/or any other Guest in combination with crew or the Ship, or depicting the Ship, its design or equipment or any part thereof whatsoever for any commercial purpose or in any media broadcast or for any other non-private use, without the express written consent of Crystal Cruises.

**18. Liability Limitation for Loss of Life or Injury:** A) Crystal Cruises hereby disclaims all liability to the Guest for damages for infliction of emotional distress, mental anguish or psychological injury of any kind under any circumstances, when such damages were not the result of physical injury

to the Guest caused by the negligence of Crystal Cruises, not the result of the Guest having been at actual risk of physical injury where such risk was caused by the negligence of Crystal Cruises, or not intentionally inflicted by Crystal Cruises.
