If a major change must be made in the Tour, Operator will notify you within 7 days after first learning of the change, but in any event at least 10 days prior to the scheduled departure. If less than 10 days before scheduled departure, Operator becomes aware that a major change must be made less than 10 days before scheduled departure, Operator will notify you as soon as possible. **Within 7 days after receiving notification of a major change, but in no event later than departure, you may cancel your reservation and you will receive a full refund within 14 days after canceling. If a major change occurs after the departure of the flight, which you are unwilling to accept, Operator will refund, within 14 days after your scheduled return date, that portion of your payment which applies to the services not accepted.** If Operator must cancel the Tour in its entirety, Operator will notify you in writing within 7 days of the cancellation, but in no event later than 10 days before the scheduled departure date. **Operator has no right to cancel the Tour less than 10 days before departure, except for circumstances that make it physically impossible to perform the Tour.** If that occurs, Operator will notify you as soon as possible, but not later than the scheduled departure date. If the Tour is canceled, Operator will make a full refund to you within 14 days after cancellation. The rights and remedies made available under this contract are in addition to any other rights or remedies available under applicable law. However, Operator offers refunds under this Agreement with the express understanding that the receipt of that refund by a Participant waives the additional remedies.

TERMS & CONDITIONS

Itinerary Changes: The itinerary and staff are subject to modification and change by Operator. Every reasonable effort will be made to operate the Tour as planned; however, should unforeseen world events and conditions require our itinerary to be altered, Operator reserves the right to do so for the safety and best interest of the group.

Suite Upgrades: Suite rooms are available in each destination; more information about them, including their additional costs, will be sent to you in the months before departure, or upon booking.

Airfare: Operator is happy to assist you in reserving commercial flights from your home city to the trip departure city, and the trip's final destination city to your home city, in the class of service that you prefer. Please ask for details.

Visa Documents/Entry Permits: To participate in the Tour, visas and/or entry permits are required for some countries. Acquiring visas and/or entry permits is the responsibility of the Participant. Failure to obtain visas and/or entry permits does not negate the terms and conditions. Any extra costs for rerouting Participants without visas and/or entry permits will be the responsibility of the Participant. Operator will provide information on the necessary visas and/or entry permits in the Tour documents.

Health Requirements: This is an active trip that requires you to make a realistic assessment of your health. All Participants are expected to be in active good health, to be comfortable traveling as part of a group, and to be ready to experience cultural differences with grace. Walking and climbing stairs are required in many hotels and airports, and to board the aircraft, and are part of many excursions. Please note: To go to certain destinations or participate in certain activities, such as visiting a high-altitude area (8,000 feet above sea level and higher), you will need to obtain your physician's approval. A form will be sent to you for your physician to sign. We are prepared to arrange for an alternative destination or activity if your physician recommends it. Malaria and other diseases may be present in some of the countries featured in this itinerary; proof of yellow fever inoculation may be required. For the latest recommendations on specific health precautions for the areas you will visit, consult your physician and the Centers for Disease Control. Any physical condition requiring special attention, diet, or treatment should be reported in writing when the reservation is made. Operator will make reasonable efforts to accommodate Participants with special needs; however, Operator cannot accommodate wheelchairs. If you require a slower pace, extra assistance, or the use of a cane or walking stick, arrangements will be made for private touring at each destination, if necessary, at the discretion of Operator's staff. Any extra cost for such arrangements will be the responsibility of the Participant. If you would like to forego some of the scheduled sightseeing to rejuvenate and relax, please feel free to do so at any time.

Personal Information: Personally identifiable information of Participants may be shared between FSHL, hotels and resorts managed by FSHL ("Hotels") and Operator. FSHL and Hotels will maintain such information in accordance with the Four Seasons Privacy Policy available at fourseasons.com/privacy. Operator will maintain such information in accordance with its privacy policy available at TCSWorldTravel.com/privacy-policy. By signing your reservation form, Participant agrees that FSHL, Hotels and TCS may process his/her personally identifiable information outside of the European Economic Area (including in the U.S.) in accordance with the aforementioned privacy policies.

Photography & Video: FSHL and Operator reserve the right to take photographs or videos (the "Photography") during the Tour and to use the Photography, including the image or likeness of Participants, in whole or in part, in any form, either alone or accompanied by other material, for promotional purposes including without limitation advertising, promotion, publicity, trade or any other marketing purpose, throughout the world, in any medium now known (including, without limitation, printed media, digital and electronic media, audiovisual recordings, still photographs and the internet or mobile applications including social media) or hereafter developed. Participants who prefer their images not be used must notify Operator in writing prior to the commencement of the Tour. Unless Participants so notify Operator in accordance with the foregoing, Participants hereby waive, in favor of FSHL and Operator: (a) any and all right to inspect and/or approve FSHL's or Operator's use of the Photographs, including the image or likeness of Participants; (b) any and all claims of copyright or other ownership with respect to FSHL's or Operator's use of the Photographs, including Participants' likeness or image; and (c) all moral rights of whatsoever nature in and to the Photographs and Participants' likeness or image represented in the Photographs.

Basis of Rates: All prices are based on two persons sharing a room. All prices and fares are quoted in U.S. dollars. The rates are based on current tariffs and are subject to change due to unforeseen circumstances. While Operator will make reasonable efforts to maintain the listed prices, if it is necessary to levy a surcharge, Operator reserves the right to do so and will notify you at the time of final invoicing. Operator reserves the right to cancel the Tour because of inadequate enrollment that makes the Tour economically infeasible to operate. In such a case, a full refund of the Tour cost will be made.

Release of Liability: The passenger tickets in use by the air carriers shall constitute the sole contract between the carriers and the passenger; the carriers are not responsible for any act, omission, or event during the time tour Participants are not aboard their conveyance. None of Operator, FSHL, hotels managed by FSHL, or any of their respective owners, directors, employees, contractors, officers or agents (collectively, the "Released Parties") shall be held liable for (a) any damage to, or loss of, property or injury to, or death of, persons occasioned directly or indirectly by an act or omission of any other provider, including but not limited to any defect in any aircraft, watercraft, or vehicle operated or provided by such other provider, (b) any loss or damage due to delay, cancellation, or disruption in any manner caused by the laws, regulations, acts or failures to act, demands, orders, or interpositions of any government or any subdivision or agent thereof, or by acts of God, strikes, fire, flood, war, rebellion, terrorism, insurrection, sickness, quarantine, epidemics, theft, or any other cause(s) beyond their control, and (c) any and all claims, actions, or losses for bodily injury, property damage, wrongful death, loss of services, lost profits, consequential, exemplary, indirect or punitive damages or otherwise that may arise out of or occur during your travel in connection with the Tour. The Participant waives any claim against any of the Released Parties for any such loss, damage, injury, or death, including any right to seek consequential, punitive or exemplary damages against any of the Released Parties for any reason whatsoever. *None of the Released Parties shall be liable for any air carrier's cancellation penalty incurred by the purchase of a nonrefundable ticket.*

Acknowledgment of Risk: You understand and acknowledge that your travel in connection with and participation in the Tour or any activities which may take place during the Tour, may involve risk and potential exposure to injury or fatal injury and that risk and dangers may arise or be caused by the negligence or participation of other Participants, contractors, and/or subcontractors for the Tour or from other foreseeable and unforeseeable causes including weather and other acts of nature.

Express Assumption of Risk & Responsibility: In recognition of the inherent risk of the travels and related activities in which you are intending to engage, you confirm that you are physically and mentally capable of participating in the Tour and that you willingly and voluntarily assume full responsibility for any injury, loss or damage suffered by you or caused by you. By registering for the Tour, you certify that you do not have any mental, physical or other condition or disability that would create a hazard for yourself or other Participants. Operator reserves the right in its sole discretion to accept, decline to accept, or remove any Participant on the Tour and reserves the right, subject to the terms and conditions contained herein, to withdraw any part or all of the Tour and to make such changes as may be necessary.

Arbitration: Any controversy or claim arising out of or relating to this Agreement or the performance there under, including without limitation any claim related to bodily injury, property damage or death, shall be settled by binding arbitration in New York, New York, U.S.A., in accordance with the rules of the American Arbitration Association then existing, and judgment on the arbitration award may be entered in any court having jurisdiction over the subject matter of the controversy. Such proceedings will be governed by substantive New York law. This agreement to arbitrate does not waive or modify the liability release contained in this document.

Exclusive Governing Law & Jurisdiction: This Agreement shall be governed by the laws of the State of New York, without regard to conflicts of laws principles. If the right to seek arbitration is for any reason waived by both parties, or if judicial review of any arbitration is sought, any action or legal proceeding arising out of this Agreement shall be brought exclusively in the courts of the State of New York, or, if it has or can acquire jurisdiction, in the United States District Court for the Southern District of New York or the appropriate appellate courts, and the parties hereby waive any objection to venue or jurisdiction in connection therewith. In connection with any action or legal proceeding arising out of this Agreement, the parties hereby specifically and knowingly waive any rights that either party might have to demand a jury trial.

By registering for the Tour, the Participant agrees to the Operator-Participant Contract and Terms and Conditions set forth in this Agreement.
