# Why Azamara.

We believe in connecting people to people, people with cultures and people with themselves, by bringing you closer to new experiences that help form who you are and give you a fresh perspective of life.

We do this through our **Destination Immersion®** experiences, the philosophy behind every Azamara voyage. We have carefully curated immersive itineraries, featuring longer stays, more overnights and unique night touring, allowing you to travel deeper and absorb more of the history, arts, cuisine and local customs that make each place unique.

Sometimes visiting a few ports within a country is not enough. That's why we have pioneered the concept of **Country-Intensive™ Voyages** — itineraries that include the most iconic destinations as well as hidden gems, all within a single country.

Continuing to expand our Destination Immersion® experiences by land, we have created unique pre- and post- voyage options. Through partnerships with some of the most renowned land tour operators, the **Land & Sea Packages** take you behind the scenes of local life with one inclusive price. It's land travel, by ship.

To further immerse you in local experiences, we offer everyone a **complimentary AzAmazing Evenings®**. Our exclusive, bespoke events are designed to give you a unique look into the culture and heritage of the destination; often hosted in beautiful historic venues.

While our global guests come to us for the destinations and the way we make them come to life, they return to Azamara for the inclusive, intimate club-like environment onboard. From the international crew members who are both genuinely friendly and happy to make them feel welcome, to the host of inclusive amenities such as beverages, concierge services, self-service laundry, gratuities and more.

Our three sister ships are boutique hotels at sea that can accommodate approximately 700 guests and are perfectly sized to cross oceans, sail into intimate rivers and along scenic waterways, while enjoying prime docking locations.

Azamara Club Cruises® welcomes you to uncover all seven continents and discover a world within the world.

# Unearth THE World.

Discover the heart of Earth's most compelling destinations, and unravel authentic moments that only emerge when you're truly immersed in a country and its culture. Awaken your senses with Azamara's Destination Immersion® experiences that come to life when you step ashore as an insider.

Be captivated by the colorful culture, sights, and smells of the eclectic spice farmlands of Zanzibar, Tanzania. Learn the secrets to crafting traditional handmade pasta passed down from generation to generation in the home of an Italian family in the Tuscan countryside. Understand the nuances of a city as you stroll down the narrow, winding cobblestone paths in Marrakech's historic Medina.

Discover unknown art, untold history, unheard music, and yet-to-be-tasted cuisine. Because it's not enough to see something. You have to smell it, hear it, taste it, and most of all, feel it. Delve deep into the core of local life with Azamara Club Cruises® and engage the world up close.

# Delve into New Cultures.

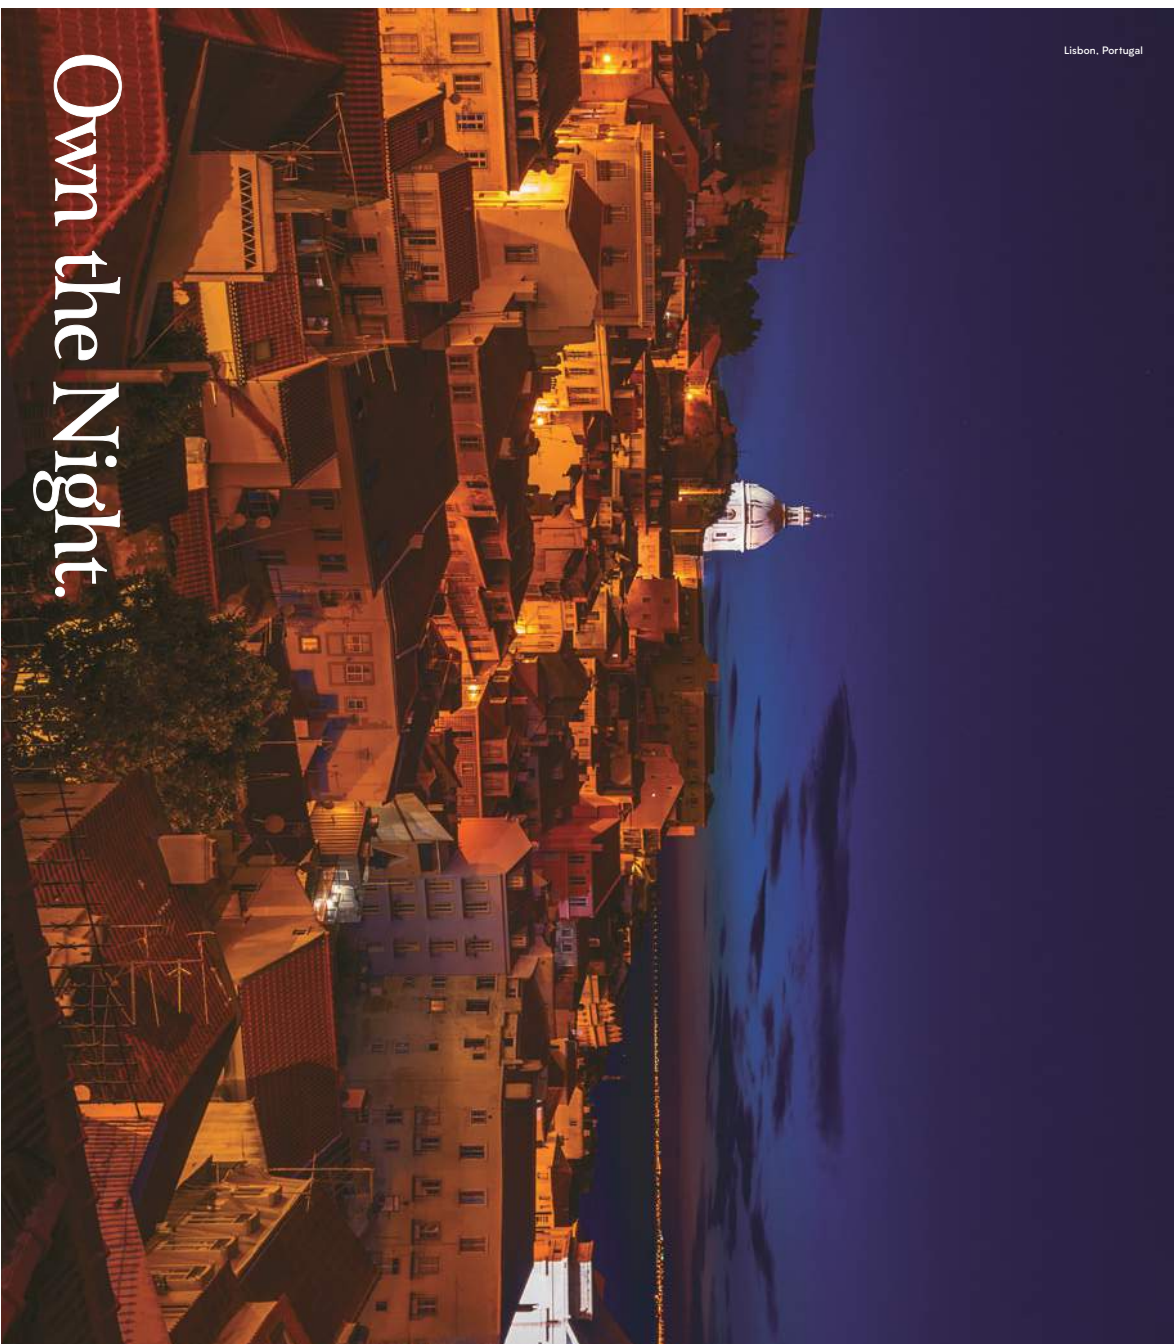

Inspiration is rooted in folklore. In the adventurous spirit. It's found in connecting people with people. People with themselves.

Find your inspiration and embark on the insatiable search for new cultures and unknown experiences. Inspiration that is ever-present in the ancient stories of South Africa's Zulu locals. Lit in the hazy wisps of a shamanic ceremony in the heart of the Amazon. Overheard in the cheerful banter of a Dublin pub. Felt in the timeworn hands of a fisherman who's mastered a millenary craft on the Sri Lankan shore.

Capture the essence of your adventurous spirit and uncover all seven continents with our 2020 itineraries — brimming with hard-to-reach destinations, over 40 newly added maiden ports, over 25 Country-Intensive Voyages, and exclusive award-winning land tours.

Lisbon, Portugal

## WATCH HOW DESTINATIONS RISE WHEN THE SUN SETS.

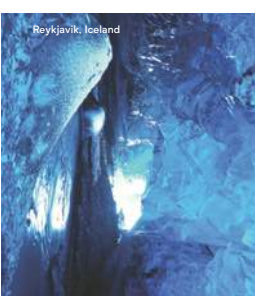

Bask in the shifting landscapes, people, and cultures from dusk to dawn and sunrise to sunset.

With late-nights and overnights accounting for nearly half of our time in port, Azamara stays later than 8:00 p.m. more often than any other cruise line.

After all, more time in port means more time for exploration.

More time to gaze out in awe towards Lisbon's skyline lit up at night, to experience the unmatched energy of New Year's Eve in Rio de Janeiro, and to venture into Reykjavik's extraordinary landscape by day and its legendary nightlife, or jammiti as the locals say, by night.

Join us and discover the night and day difference of how destinations rise when the sun sets.

## COUNTRY-INTENSIVE™ VOYAGES.

Reach the entirety of a single country. Azamara pioneered the concept of Country-Intensive™ Voyages that dock in most, if not all, of a country's marquee ports as well as its less-visited hidden gems. Ultimately, allowing you to unpack just once and dive into your country of choice without worrying about transportation or hotel transfers.

Our Country-Intensive™ destinations now include Ireland, Scotland, Denmark, and South Africa — as well as past favorites like Greece, Croatia, Cuba, Israel, France, Japan, Spain, Italy, Iceland, Norway, New Zealand, and Australia.

So, whether you choose to acquaint yourself with South Africa's rolling green hills on a wine tour through the fertile Cape Winelands, or venture to the Scottish Highlands in search of mythical creatures, one thing is certain: you'll soon view the world through the lens of a local.

## COMPLIMENTARY AZAMAZING EVENINGS®.

Watch a city's true colors come to light while the sun sleeps with AzAmazing Evenings® — our intimate, tailor-made nighttime events — complimentary and exclusively available for Azamara guests on most voyages seven nights or longer.

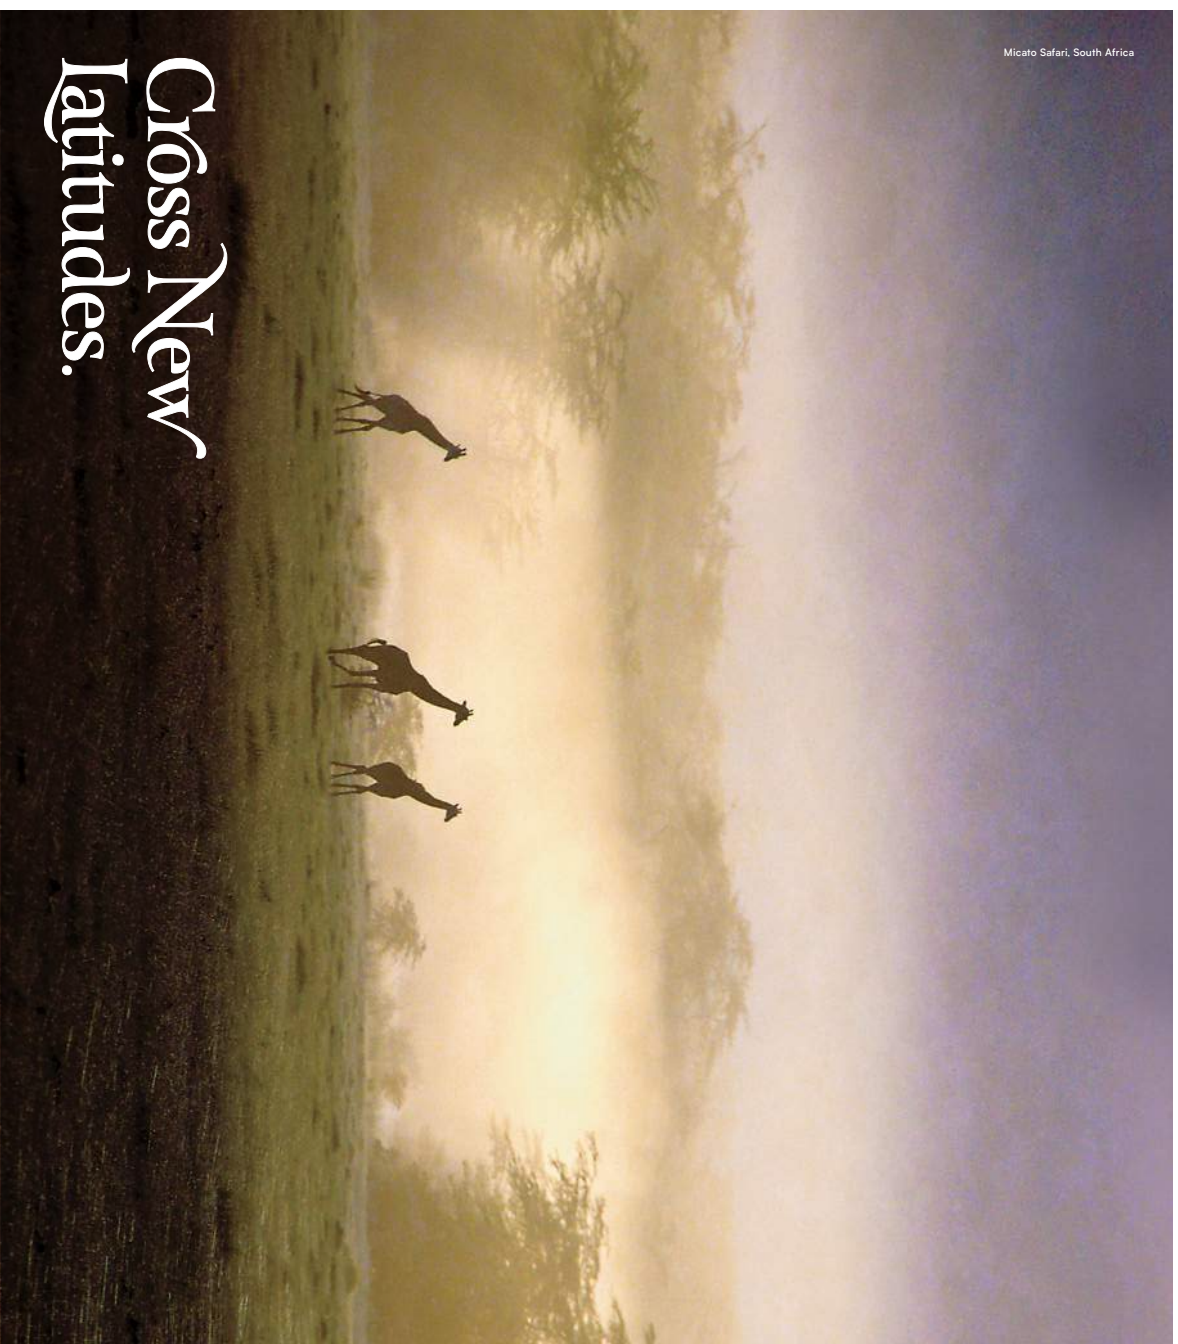

Each AzAmazing Evening embodies the cultural DNA of the destination, delivering all-inclusive, personal connections between you, the place, and its people.

Join us on October 8, 2020 to celebrate our 10-year anniversary with a Grand AzAmazing Evening where we'll commemorate the very first port gathering of all three sister ships in Koper, Slovenia. From there, Azamara Journey®, Azamara Quest®, and our newest addition, Azamara Pursuit®, will sail together to spend the night in Venice.

The complete voyage itinerary for Azamara Journey® is on page 75, while the one for Azamara Quest® is on page 53 and the one for Azamara Pursuit® is on page 94.

GUEST TESTIMONIALS.

Azamara brings guests closer to authentic cultural moments and deeper human connection, but don't take our word for it — here is what some of our guests have had to say.

"Azamara has become our favorite cruise line.

The atmosphere aboard ship is very welcoming and friendly. This is due to the absolutely terrific staff from the Captain on down to the room stewards. The food is always excellent, and we love the way we are treated by the restaurant staff. This starts with the gentleman at the front desk who always accommodates our seating requests. The restaurant managers are all terrific and make the effort to learn our names and greet us as we enter the restaurant. The White Night is absolutely memorable. We loved the experience. We have already booked our next cruise with Azamara."

— DONALD L. — ST. AUGUSTINE, FL, USA

"This was a delightful port intensive, destination-intensive experience. Time in port was ideal, certainly long enough to see the local sights. My wife and I appreciated the inclusiveness of this experience with beverage service and gratuities as included items. Sincere openness and genuine friendliness of the staff, from the Journey's gregarious Captain, to the cruise director, to the staff members maintaining and cleaning the ship. The comfortable size of the ship catalyzed interaction with fellow passengers."

— THOMAS S. — MARIETTA, GA, USA

"Have sailed on Azamara a number of times since Journey first put into service. Quality has typically been high along with staff stability. Unusual and extended itineraries are now the key."

— JAMES W. — ALEXANDRIA, VA, USA

"I thought this cruise was amazing! The ship was clean, not a lot of people, service was attentive, and it was beautiful also. I really liked that we had a FULL day at most ports too. There wasn't a rush to be back on the boat in the afternoon."

— KARYN T. — NORTH BRUNSWICK, NJ, USA

"Azamara team treat guests like welcome and recognized family members. It has an intimate atmosphere, unlike larger cruise ships, and the staff are friendly, personal and helpful. The time in port is well-timed for us to really enjoy each destination as much as possible within a cruise itinerary. The services on the ship and other arrangements such as tours were efficient and well-organized."

— ENG BENIG T. — SINGAPORE

"We love the destinations and the service provided to get all the passengers to explore the amazing places the Azamara ship either renders or docks. All of the tours are amazing and most of the tour guides are as well. We had one who left the team down in the Conque Terre. We love the Azamazing Evenings and the White Nights. Safety is a priority, we've had 4 cruises with Azamara & love them."

— LIZ H. — CRYSTAL BROOK, SOUTH AUSTRALIA

"The whole experience was wonderful. Service, food, and destinations were outstanding. The ship was clean, room was spotlessly maintained several times a day, and the staff all went out of their way to make sure we were enjoying the experience."

— ROBERT S. — DENVER, COLORADO, USA

"The staff was very pleasant and courteous, the food was beyond delicious, and the overall ambience made our first experience with Azamara amazing! And, we must not forget about the journey itself... the scenery was breathtaking."

— HELEN P. — SUDBURY, ONTARIO, CANADA

"There were several areas that made this cruise excellent value for money for us: informative lecture series, fast and efficient check-in and check-out, excellent quality for the complimentary drinks package, intimacy with respect to the entertainment - we were able to talk to performers and the lecturer, well-organized shore excursions, shuttle buses to the interesting parts of the cities visited, excellent service and outstanding choices in the restaurants."

— TONY K. GATINEAU, CANADA

"I felt like the combination of destinations, time in port and the experience on the ship was very relaxing and made me feel like I was able to get the most out of being on a cruise and also visiting those places."

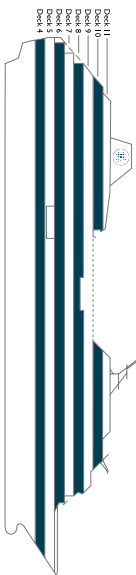

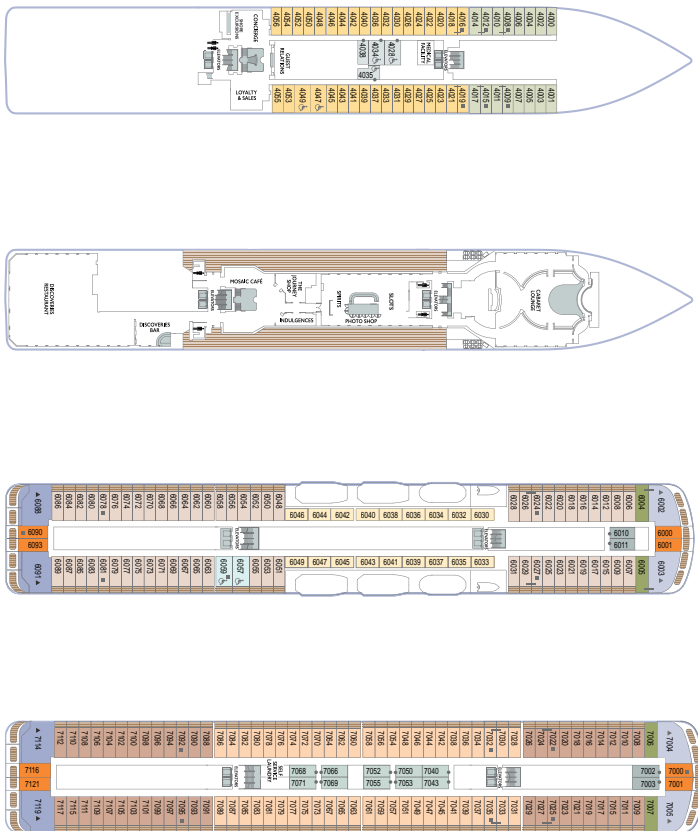

— GRANT P. — BRISBANE, AUSTRALIA

"Where do I begin - everything about the cruise was superb. You are the best! The size of the ship and number of passengers means that we went to places where the big ships can't go. Staying overnight in ports is excellent. Having now been on two of the ships it is like coming home. The crew were superb and knew you by name and made us feel so welcome. A superb holiday - can't wait for the next one!"

— TERESA P. — PORT SOLENT, PORTSMOUTH, UK

## WORLD WILDLIFE AT SEA

Over the course of 20 years, what began as a company-wide recycling program in 1992 has grown into a dedicated environmental conservation program. Save the Waves is our unofficial philosophy behind environmental stewardship with goals like emissions reduction and wastewater treatment. In 2015, we took steps to formalize this unofficial philosophy across all operations, from our new office buildings to charity efforts. Extending well beyond shipboard operations and our employee workforce, Save the Waves collaborates with educational institutions and non-profit organizations like World Wildlife Fund (WWF) to strengthen our environmental policies and to protect the world's resources, so our oceans and the marine life that call it home remain vibrant and healthy for years to come.

At Azamara Club Cruises, we are not only explorers of the world. We have a responsibility to be its protectors. Our oceans are under threat, as populations of some marine mammals, birds, reptiles and fish have declined by half. That's why Azamara Club Cruises along with our parent company, Royal Caribbean Cruises Ltd., and WWF, are working together to safeguard healthy oceans, marine life and marine livelihoods.

As you set sail, keep an eye out for our World Wildlife At Sea program that features diverse ways to learn about and actively participate in marine conservation, from a World Wildlife Fund Speaker Series, special tours with WWF expert speakers, and even a Crew Ambassador Program for guests to participate in while on their voyage.

## REQUIRED VACCINATIONS

All guests must ensure they are medically fit to travel. As such, we require you check with your physician to ensure you are up to date with immunizations or vaccines required for each of the destinations and tours on your itinerary. For example, some countries require certification of the yellow fever vaccination. ## FAMILY LEGAL DOCUMENTS

When the last names of a parent and minor child(ren) differ, the minor must be linked to the parent through legal documentation. The parent is required to present the child's valid passport book and visa (if required), or the child's birth certificate (original, notarized copy, or a certified copy) along with a notarized letter signed by the adult who is his or her legal guardian. The adult must present a certified Certificate of Guardianship with respect to the child.

If a child is sailing with an adult who is not his or her parent or legal guardian, the adult is required to present the child's valid passport and visa (if required), or the child's birth certificate (original, notarized copy, or certified copy) and an original notarized letter signed by at least one of the child's parents. The notarized letter from the child's parent must authorize the traveling adult to 1) supervise the child on the specific voyage and 2) take the child on the ship, permit any medical treatment that must be administered to the child.

## IMPORTANT TIPS FOR ALL VOYAGERS TO ADD TO THEIR PRE-TRIP CHECKLIST

- Renew your passport if the expiration date is within six months of your travel date.
- Contact the Embassy (Consular Service) of each country on your voyage or the visa service of your choice for visa requirements.
- If traveling with minors, make sure you bring the proper documents for them.
- Review the vaccines you need for embarkation and all ports of call.

- Bring along proof of vaccinations and copies of your prescriptions.

## SHIP CHECK-IN TIMES AND PROCEDURES

Azamara Club Cruises' check-in times vary and may be as early as noon. For the specific check-in time of your voyage, please check with your travel professional. Check-in times are also noted in your travel documents.

All guests must board the ship at least 90 minutes prior to the vessel's scheduled departure. Failure to check in at least 90 minutes before the ship's scheduled departure constitutes a "no-show" and results in automatic cancellation of your booking and assessment of cancellation charges.

## LATE ARRIVALS AND EARLY DEPARTURES

If you need to join your voyage late or leave early, it is important to submit your request well in advance of your departure date. Various domestic and international laws govern the ability to join or depart from a voyage in progress, based on a ship's itinerary and guest's citizenship. Your advance request will enable changes as permitted. For more information, visit [AZAMARA.COM](http://AZAMARA.COM) or call 800.256.6649. Please take cognizance of the cut-off dates for submission of your request. No refunds or prorated fares can be granted if you join a voyage late or leave early. Some governments impose fines or other charges when a guest permanently departs from a voyage before its final port of call, and the departing guest will be responsible for these charges.

## BACK-TO-BACK SAILINGS

Please note that due to restrictions under the U.S. Passenger Vessels Services Act (the Jones Act), we cannot accept reservations for back-to-back voyages that begin in one U.S. port and conclude in a different U.S. port. In the event such an itinerary is booked, Azamara Club Cruises reserves the right to cancel one of the cruises at the passenger's expense.
