Livorno Port: how to reach it

Whether you're travelling from the A12 Genova-Livorno-Rosignano motorway or from the A11-A12 Firenze-Pisa-Livorno motorway, the exit is LIVORNO. From the toll booth, follow the brown tourist signs for "Imbarco passeggeri" [Passenger boarding]. The Terminal Crociere [Cruise Terminal] in the Port of Livorno is at Piazzale dei Marmi and can be accessed via the Varco Donegani [Donegani Entrance] (which is the easiest) or the Varco Sgarallino [Sgarallino Entrance]. The port of Livorno is also connected to the Firenze-Pisa-Livorno express way [superstrada].

Naples Port: how to reach it

If you are approaching **Naples** by motorway, follow the signs for "Napoli Porto", bringing you to the port area at Via Bausan. Continue inside the port taking the last passage "Immacolatella Vecchia". Stay inside the port to the Stazione Marittima. This alternative avoids the heavy traffic in the customs area of Via Marina and the one-way streets, bringing you to "Immacolatella Vecchia" from where you can reach the Stazione Marittima. For cruise guests arriving in **NAPLES** by train get off at the Napoli Centrale train station. From here you can reach the port by taxi in approx. 20 minutes at a cost of approx. Euro 20. For cruise guests arriving in **NAPLES** by airplane. You can reach the port by taxi in about 30 minutes at a cost of approx. Euro 35. Guests who booked their flight with Costa Crociere will be met by our representatives after exiting from customs.

Venice Port: how to reach it

For cruise guests arriving in **VENICE** by train, We recommend that you get off the train at the Venezia-Mestre station. From here you can take a taxi, by land, reaching the port in about 15 minutes. To reach the port from the S. Lucia train station, you can either take a taxi-boat or "People Mover". Piazzale Roma can be reached from the S. Lucia train station on foot or with one stop of the waterbus. The Cooperativa Portabagagli di Venezia offers a luggage transfer service from the S. Lucia station to the Ferry Terminal. If you wish to use this service, contact them directly inside the train station. In order to ensure that your luggage is correctly delivered to your cabin, please make sure that all luggage items are correctly labelled with the Costa labels that are included with your cruise ticket. If you do not have these labels with you, we strongly recommend that you do not use this service.

For cruise guests arriving in **VENICE** by airplane Guests who booked their flight with Costa Crociere will be met by our representatives after exiting from customs. In the airport, a help desk is also available to cruise guests on the days of embarkation/disembarkation as well as on the day prior to embarkation. Guests who did not reserve a transfer with Costa Crociere can reach the port by taxi in approx. 30 minutes at an approx. or by using the public bus service for Piazzale Roma.

Savona Port: how to reach it

How to reach the port of Savona by car: For guests arriving from the Motorway from East (Genoa) we suggest that you exit at Albisola. After passing through the tollbooth, turn to the right and follow the signs for Savona and Porto / Palacrociere. After approx. 800 m, at the intersection turn to the right and follow along the Via Aurelia which leads along the coast for approx. 3 km until reaching the city of Savona. After a brief ascent (Via Gramsci), take the roundabout turning to the left at the Priamar castle and follow the directions to the Porto / Palacrociere up to the customs entrance. For guests arriving from West or the Savona – Torino motorway we recommend exiting at Savona. Follow the directions for Savona Centro and Porto / Palacrociere, following along the main street (Corso Svizzera). At the roundabout (after approx. 1 km) continue along the main street (Via Stalingrado). After approx. 1.5 km you will enter the city, passing under a railway bridge: at the roundabout continue along the tree-lined street (Corso Tardy Benech and then Corso Mazzini) until the entrance to the port.

For cruise guests arriving in SAVONA by train: Get off at the Savona train station. From here you can reach the port in 10 minutes by taxi (cost approx. Euro 15). From the Genova Porta Principe train station you can use a private bus transfer service from 1:30 pm, which should be booked in advance through your travel agent. Note: If no reservations have been made, this service will not be available.

For cruise guests arriving in GENOA by airplane Guests who booked their flight with Costa Crociere will be met by our representatives after exiting from customs. For guests who arranged their own flights, there is also a private transfer service in correspondence to flight arrival times, which should be booked in advance through your travel agent. You can reach the port of Savona by taxi at a cost of approx. Euro 80.

From the **Barcelona** airport, the port can be reached by taxi in approx. 40-50 minutes at an average price of 25-35 Euro. Alternatively, there is a railway station inside the airport: get off at "Catalunya" or "Sants Estació" and take the underground (Line 3, green) to the station "Drassanes", located at the bottom of the Ramblas, close to the monument of Christopher Columbus. From here, crossing the street in the direction of the sea, you will find a bus stop for the Port Bus, a small blue bus that will take you to the port; the bus stops at all port terminals.

For cruise passengers who arrive in Barcelona by train
From the Barcelona station, the port can be reached by taxi in approx. 15-30 minutes (trip price 15-20 Euro). Alternatively, the underground may be taken (Line 3, green). Get off at "Drassanes", located at the bottom of the Ramblas, close to the monument of Christopher Columbus. From here, crossing the street in the direction of the sea, you will find a bus stop for the Port Bus, a small blue bus that will take you to the port; the bus stops at all port terminals.

For cruise passengers who arrive in Barcelona by car
Take Via Tarragona until arriving in Plaza España. From here, enter into the Paralelo, at the bottom of which you will find a roundabout where you will see indications for the port, located at a distance of approx. 10 minutes.

Naples Port: how to reach it

If you are approaching **Naples** by motorway, follow the signs for "Napoli Porto", bringing you to the port area at Via Bausan. Continue inside the port taking the last passage "Immacolatella Vecchia". Stay inside the port to the Stazione Marittima. This alternative avoids the heavy traffic in the customs area of Via Marina and the one-way streets, bringing you to "Immacolatella Vecchia" from where you can reach the Stazione Marittima. For cruise guests arriving in **NAPLES** by train get off at the Napoli Centrale train station. From here you can reach the port by taxi in approx. 20 minutes at a cost of approx. Euro 20. For cruise guests arriving in **NAPLES** by airplane. You can reach the port by taxi in about 30 minutes at a cost of approx. Euro 35. Guests who booked their flight with Costa Crociere will be met by our representatives after exiting from customs.

Savona Port: how to reach it

How to reach the port of Savona by car: For guests arriving from the Motorway from East (Genoa) we suggest that you exit at Albisola. After passing through the tollbooth, turn to the right and follow the signs for Savona and Porto / Palacrociere. After approx. 800 m, at the intersection turn to the right and follow along the Via Aurelia which leads along the coast for approx. 3 km until reaching the city of Savona. After a brief ascent (Via Gramsci), take the roundabout turning to the left at the Priamar castle and follow the directions to the Porto / Palacrociere up to the customs entrance. For guests arriving from West or the Savona – Torino motorway we recommend exiting at Savona. Follow the directions for Savona Centro and Porto / Palacrociere, following along the main street (Corso Svizzera). At the roundabout (after approx. 1 km) continue along the main street (Via Stalingrado). After approx. 1.5 km you will enter the city, passing under a railway bridge: at the roundabout continue along the tree-lined street (Corso Tardy Benech and then Corso Mazzini) until the entrance to the port.

For cruise guests arriving in SAVONA by train: Get off at the Savona train station. From here you can reach the port in 10 minutes by taxi (cost approx. Euro 15). From the Genova Porta Principe train station you can use a private bus transfer service from 1:30 pm, which should be booked in advance through your travel agent. Note: If no reservations have been made, this service will not be available.

For cruise guests arriving in GENOA by airplane Guests who booked their flight with Costa Crociere will be met by our representatives after exiting from customs. For guests who arranged their own flights, there is also a private transfer service in correspondence to flight arrival times, which should be booked in advance through your travel agent. You can reach the port of Savona by taxi at a cost of approx. Euro 80.

Venice Port: how to reach it

For cruise guests arriving in **VENICE** by train, We recommend that you get off the train at the Venezia-Mestre station. From here you can take a taxi, by land, reaching the port in about 15 minutes. To reach the port from the S. Lucia train station, you can either take a taxi-boat or "People Mover". Piazzale Roma can be reached from the S. Lucia train station on foot or with one stop of the waterbus. The Cooperativa Portabagagli di Venezia offers a luggage transfer service from the S. Lucia station to the Ferry Terminal. If you wish to use this service, contact them directly inside the train station. In order to ensure that your luggage is correctly delivered to your cabin, please make sure that all luggage items are correctly labelled with the Costa labels that are included with your cruise ticket. If you do not have these labels with you, we strongly recommend that you do not use this service.

For cruise guests arriving in **VENICE** by airplane Guests who booked their flight with Costa Crociere will be met by our representatives after exiting from customs. In the airport, a help desk is also available to cruise guests on the days of embarkation/disembarkation as well as on the day prior to embarkation. Guests who did not reserve a transfer with Costa Crociere can reach the port by taxi in approx. 30 minutes at an approx. or by using the public bus service for Piazzale Roma.

Barcelona Port: how to reach it

For cruise passengers who arrive in Barcelona by air
From the **Barcelona** airport, the port can be reached by taxi in approx. 40-50 minutes at an average price of 25-35 Euro. Alternatively, there is a railway station inside the airport: get off at "Catalunya" or "Sants Estació" and take the underground (Line 3, green) to the station "Drassanes", located at the bottom of the Ramblas, close to the monument of Christopher Columbus. From here, crossing the street in the direction of the sea, you will find a bus stop for the Port Bus, a small blue bus that will take you to the port; the bus stops at all port terminals.
