ANNIVERSARY

The largest, most opulent steamboat in the world was born from a vision to design a grand paddlewheeler that would rival any on the river. From each thoughtful detail to modern upgrades, the *American Queen* is an authentic icon of the rivers on which she travels.

She is a true engineering marvel that combines steam and diesel power to create a truly unique river cruising experience. Her construction began in 1994 at McDermott Shipyard in Louisiana. Years of planning culminated in the christening of this elegant steamboat on June 2, 1995.

After shifting through several owners, the *American Queen* found herself in the hands of the United States Maritime Administration (MARAD) in Beaumont, Texas. Knowing that this American icon should be enjoyed by the entire world, John Waggoner, president and CEO of HMS Global Maritime, took on the herculean task of purchasing the paddlewheeler and putting her back in service on the Mississippi, Ohio, Tennessee and Cumberland Rivers.

1995-2020

On April 26, 2012, she was re-christened in Memphis, Tennessee, by her new godmother, Priscilla Presley. A new era of modern steamboating and river cruising had begun.

Since that time, American Queen Steamboat Company has made updates to the boat with a focus on the preservation of the antiquity, sentiment and vision of her original builders and guests.

A lady so grand should have a celebration to match! We invite you to join us throughout 2020 for an anniversary year that is sure to provide memorable experiences for all who sail upon her. There are no greater gifts than those of travel and memories, and what better way to celebrate than on the grandest steamboat ever built!

"After 25 years, the *American Queen* is still making dreams come true. Come celebrate with us in 2020 on an unforgettable celebratory voyage."

**John W. Waggoner, Chairman and CEO,
American Queen Steamboat Company**

PORT HIGHLIGHT

STANTON HALL – NATCHEZ, MISSISSIPPI

At the time of its building, Stanton Hall was called Belfast – an homage to the fact that it was a replica of the ancestral home of the Irish-born owner, businessman Frederick Stanton. He lived there just a brief time, passing away the year after its construction.

Walking among the home's opulent rooms, with their 17-foot ceilings and 10-foot doors, one imagines life among the wealthy in the early 1800s. Richly gleaming wood bedposts, lofty drapes, ornately carved marble fireplaces...a glimpse of luxury at every turn.

If you have ever visited Disneyland's Haunted Mansion, you may be overtaken by déjà vu as you approach the grounds of this stunning example of antebellum Classical Revival architecture. A close look reveals that it inspired the enchanting ride's design.

The property's interiors served as the house of the Main family in the ABC miniseries "North and South," starring Patrick Swayze and James Read. Take in the history and the nostalgia as you tour this remarkable mansion.

PORT HIGHLIGHT

NOTTOWAY PLANTATION

Our exclusive port of Nottoway Plantation is the South's largest, most glorious remaining antebellum mansion, with a rich history dating back to 1859. In a fabulous location along the Great River Road, this White Castle of the South transports visitors back in time.

Set among a naturally beautiful backdrop of vibrant gardens and 200-year-old oak trees, the mansion boasts three floors and 64 rooms, and flaunts 22 incredible white square columns.

The most popular room among guests is the White Ballroom, which is painted entirely in white with elaborate gold décor throughout. Rooms are trimmed in custom plaster frieze made from Spanish moss, clay, plaster and mud, and are all original to the house. And as if that weren't enough, this immaculate mansion was constructed with 365 openings – one for each day of the year.

Nottoway Plantation captivates all with a brilliant blend of true Southern hospitality, history and mystery.

ADVANCE TRAVEL INFORMATION

U.S. citizens or permanent residents of the U.S. traveling exclusively inside U.S. borders do not need a passport or visa for travel. Homeland Security laws require that all guests travel with government-issued photo identification (ID) (such as a driver's license) at all times. ID must be presented at the time of vessel check in. Guests without proper ID will be denied boarding. Carrier is required to provide all guests' ID information, including ID number, expiration date and place of issue to the Coast Guard and/or other government entities prior to the vessel's departure. Guests must provide this information to Carrier in advance. Travel documents will not be released until received. Canadian citizens or permanent residents of Canada entering the U.S. are required to bring their passport. For other nationalities, passports are required to enter the U.S. It is your responsibility to check with your local U.S. embassy/consulate to confirm visa requirements and to obtain the proper visa.

DOCUMENTATION

Final travel documents, including itinerary and vouchers (if applicable) will be sent approximately four (4) weeks prior to departure. Reservation must be paid in full and a Guest information form must be received before documents will be sent.

HEALTH & DISABILITY REQUIREMENTS

Guests must notify Carrier in writing at the time of booking of any physical or mental illness, disability or other conditions for which special accommodations or the use of a wheelchair is necessary or contemplated. Also, we must be notified of any medical treatment that may render the Guest unfit for travel or constitute a risk or danger to the Guest or anyone else onboard. The vessels do not carry a medical doctor onboard. Acute medical conditions will require you to disembark to be attended to by shoreside emergency and/or medical response and you are advised that, due to the nature of travel by water, emergency medical evacuation may be delayed or impossible. Guests needing any form of assistance and those who are physically disabled must be accompanied by someone who will take full responsibility for any needed assistance during the cruise and in the event of an emergency. Carrier reserves the right to refuse passage to anyone who, in our sole opinion, may affect the health, safety or enjoyment of other guests. Guests requiring a wheelchair must provide their own collapsible wheelchair. Please be aware that some ports of call, shore excursions, docks, gangways and other requirements may preclude a wheelchair guest from leaving the vessel; this decision will be made by the Master of the vessel and is binding. Also, there may be certain

physical conditions, including raised doorway thresholds from 2 to 16 inches, stairways and narrow passageways within the vessel that may limit or preclude the accessibility of wheelchair guests to some areas. Carrier recommends that Guest purchase travel protection, either the plan we offer or a plan from your Travel Agent. With travel protection, you can relax and enjoy your trip with some peace of mind.

FEDERAL MARITIME COMMISSION PROTECTION

Under Public Law 89-777, the FMC requires vessels having berth or stateroom accommodations for fifty (50) or more passengers and that embark passengers from U.S. ports to maintain acceptable evidence of financial responsibility to indemnify passengers for nonperformance of transportation. Carrier maintains a surety bond insuring its financial responsibility, and holds a Certificate (Performance) issued by the FMC.

UNITED STATES FLAGGED VESSELS

The *American Queen*, *American Empress*, *American Duchess* and *American Countess* have been designed and built in the United States. As U.S. Flagged Vessels, this status means that we also protect you with the highest standards for safety and health, including regular inspections and certifications by the United States Coast Guard, the United States Public Health Service and the Federal Communications Commission. The vessels are American owned and operated. As U.S. Flagged Vessels, the *American Queen*, *American Empress*, *American Duchess* and *American Countess* are capable of operating unique itineraries not possible on foreign-owned or foreign-built vessels.

ONBOARD CREDIT

Can be used toward onboard purchases not covered in the cruise fare. Onboard Credit is non-refundable, non-transferable, has no cash value and may not be used to pay gratuities. Any unused portion of an onboard credit is forfeited at the end of the voyage.

Only designated service animals are permitted onboard. You are required to notify Carrier in advance of departure if you plan to bring along a service animal because of a disability. Supporting documents may be requested.

DRONES

Guests are permitted to bring drones aboard the vessel, however, they may be operated only on shore and outside of the port area. Operation of drones on board the vessel is strictly prohibited, and any onboard use may result in confiscation of the drone until the conclusion of the voyage or disembarkation of the Guest (at the Guest's expense). While on board, drones must be stored safely within the stateroom.

Guests assume full responsibility for understanding and complying with local regulations related to drone usage, including obtaining any necessary permits or permissions. All liability related to or arising from drone operation whatsoever is the Guest's responsibility.

ACCOMMODATIONS

We would like to remind you that cruising aboard our elegant paddlewheel vessels is incredibly unique. While many guests love the allure of the traditional paddlewheel experience, others may find the turning of the paddlewheel and nostalgic purr of the engines to be slightly noisier than they would like at times. Please be mindful of this when selecting your stateroom so that you reserve the appropriate accommodations for your ideal river cruise experience.

GRATUITIES

Gratuities will be automatically charged to your onboard account at a rate of \$19.50 per guest per day (included in the cruise fare on all *American Duchess* voyages).

Terms and conditions are subject to change without notice and we are not responsible for errors or omissions therein.
