## THE SHIP THE ART OF SAFETY & LUXURY

The Au Co introduces new standards of safety and luxury in The Gulf of Tonkin and sets herself apart from other Halong Bay cruises. Her impressive external steel structure belies the innovative and luxurious oriental design to be found within. Each of her 32 spacious cabins has its own private balcony or terrace – allowing unparalleled private views of the surrounding seascape. Through our innovative use of space, design features, and luxurious attention to detail, we aim to give our passengers a truly unique experience.
