DISCOVER AUTHENTIC BEAUTY

A glint of light. A splash of colour. A split second of contrast. A glimpse of soul-stirring humanity. These are moments of true beauty – unguarded, spontaneous, captivating. A beauty which Steve McCurry has a gift for revealing.

That's why Silversea's collaboration with Steve is a natural fit. Let him inspire you to seek the world's authentic beauty. Then let us take you to find it.

A handwritten signature of Steve McCurry in black ink. The signature is fluid and cursive, with the first letter 'S' being particularly large and stylized.

*This is where
the journey becomes
the destination.
This is a rare feeling
of personal connection
to fascinating lands
and extraordinary cultures.
This is travelling,
surrounded by people
who anticipate
your wishes
before they even arise.
It's careful gestures,
it's the beauty
of the world
with a warm feeling
of home.*

*Hundreds
of harbours
in every corner
of the world,
connected
by a fleet of ships
envisioned
to access
the world's
best hidden wonders,
in harmony
with nature
and in step with
your needs.
A luxury
outpost at sea:
the perfect destination
to appreciate
all other
destinations.*

Onsen Hot Springs, Japan, 2018, by Steve McCurry

Mainstream is the only route we never take, because what we seek is authentic beauty. We live to enrich our collection of moments, places, and wonders, and we delight in sharing them with our guests, giving them exceptional access to the most remarkable corners of the Earth.

*This is
the beginning
of a deeper
kind of travelling.
A total immersion
into the heart
of every destination,
getting closer than ever
to traditions,
flavours,
and mysteries.
A brand-new perspective
awaits all curious travellers;
those no longer interested in
being just visitors,
those who are ready
to truly step
inside the secrets
of the wonders our world
has to offer.*

*It is such a luxury
to feel
without boundaries,
free to explore
the world
and to follow
your curiosity.*

*With this
feeling in mind,
we will give you
a home at sea,
a place to reach beyond
the usual destinations,
so you can take in
all the beauty
while we take care of you.*

Imagine there was nothing standing between you and the wonders you see. Imagine a ship made almost entirely of glass, one that disappears from the view to make space and time for all other views. That ship is *Silver Nova*, the first in its class, designed to take centre stage only when you want to enjoy its services, and then leave the scene to the beauty of your destinations. With the Nova class, travelling feels new again.

*Luxury, here,
is a familiar feeling;
heartfelt gestures
and an all-inclusive
collection of moments,
surprises,
and encounters.
Luxury, on board,
is always a discovery
of people,
stories,
places,
and many ways
to treat yourself.
And while we take care
of every detail,
you will get to focus
on what really matters:
relaxing, enjoying,
and dreaming
of your next destination.*

Enter a state of total relaxation, enjoyment and comfort. Combine wellness and pleasure to meet Silversea's OTIVM: the finest spa since ancient Roman baths.

We love food.

Food as a journey.

Food as heritage.

Food as discovery.

Food as moments.

*Food as dinner with friends,
old and new.*

Food as sea.

Food as land.

of culture and closeness.*

the ocean.*

*We call it home:
a common shelter
for nature
and us.*

*A place we respect
through our actions,
wildlife preservation
and collaboration
with local communities.*

*All as part of our
endless pursuit
of travelling
in harmony
with the Earth.*

WORLD CRUISE 2025

Our regional voyages

Get an in-depth look at the world, North to South, East to West.

For some, travel is all about exploring extreme landscapes and climates. For others, it's all about lounging on white sandy beaches, the sway of palm trees the only sound they hear. And for others, it's all about visiting iconic cities and enjoying exciting and exhilarating nightlife.

Of course, for some, travel is about all of the above, which is why many of our regional voyages explore a large variety of countries, with a wide range of destinations and experiences. Whatever your reasons for travelling, you'll find the right voyage for you here.

Our regional voyages allow you to take a deeper look at specific parts of the world, as you discover their most characteristic ports, places and peoples. From the Arctic to Antarctica, from Northern Europe to the South Pacific, you'll experience all the personality of each of these regions in legendary Silversea comfort, luxury and style.

PRE/POST CRUISE LAND ADVENTURES & SHORE EXPERIENCES

MORONDAVA, MADAGASCAR | Included Expedition Activity

Explore Kirindy Reserve, one of the most outstanding and threatened wildlife habitats in Madagascar, also known as the “dry deciduous forest.” See the incredible Avenue of the Baobabs, a tree that is Madagascar’s symbol, a point of local pride and an endangered species. You’ll also get to participate in reforestation activity as part of an ecotourism effort run by NGO Fanamby. The avenue has been a centre of local conservation efforts and was granted protected status, the first step towards making it Madagascar’s first natural monument.

ARABIAN NIGHT EXPERIENCE IN THE DUNES | Selected Shore Excursion

Admire the expansive beauty of the Wadi Abhyad Dunes during this scenic half-day, evening dune excursion with dinner. A favourite among Omani locals, families and expatriates on a day out, there are also fantastic night grills and adventure-seeking experiences on offer, by Dunes by Al Nahda Resort. Upon arrival at the Wadi Abhyad, your driver will take you for a scenic and exhilarating ride around the dunes before a sumptuous barbecue dinner is served, right among the dunes. After dinner, you’ll board your 4x4 jeep again and commence the approximately 30-minute drive back to the pier.

Svalbard, Arctic Region,
2017, by Steve McCurry

the **ARCTIC** *and* **GREENLAND**

*Explore the Arctic
and find your true north.*

Surrounded by silence, all you hear is the creaking of the ice, as towering blue-green icebergs shine in the midnight sun and polar bears roam free in the distance. The Arctic is this and much more. A region so unspoiled and untouched, it still features areas that have never been explored. Encompassing a wide range of countries, landscapes and peoples, the Arctic stretches from the Canadian Arctic to Greenland, all the way to Norway's Svalbard archipelago. Thanks to our expertise in both ultra-luxury and expedition cruising, and our unrivalled

knowledge of the area, we'll make your journey north exciting and comfortable every day. And with the highest number of veteran expedition experts, specifically selected for each itinerary based on their unique knowledge of the featured destinations, you'll be in great hands wherever you sail.

PRE/POST CRUISE LAND ADVENTURES & SHORE EXPERIENCES

ILULISSAT ICEBERG CRUISE | Included Expedition Activity

Cruise through skyscraper-sized icebergs in the Ilulissat Icefjord, a massive collection of icebergs each calved from the Sermeq Kujalleq glacier, and one of the northernmost UNESCO World Heritage Sites. More than 40 million tons of ice flow out into the fjord, 24 hours a day. The result is gigantic icebergs that can be more than 100 metres wide and rise 100 metres above the water's surface. These giants are found at the end of the fjord, creating a perfect opportunity to sail right amongst them. Beautiful in all kinds of weather, their contrasts become very clear in sunshine and feature incredible shades of blue, while the midnight sun creates a unique glow around them at night when it's cloudy. A truly exceptional experience not to be missed when visiting Ilulissat.

GOLDEN CIRCLE AND BLUE LAGOON | 3 nights Pre/ 2 Nights Post-cruise Land Programme

Combine the classic Big Three attractions of Iceland: Gullfoss Falls, the Great Geysir, and UNESCO World Heritage Site Thingvellir National Park, then add a relaxing day in the Blue Lagoon, a natural geothermal spa found right in the middle of a beautiful field of solidified lava.

the **GALÁPAGOS ISLANDS**

*19 islands, one archipelago,
millions of years
of history.*

Undisturbed for millions of years, the extremely remote volcanic Galápagos Islands are home to over 9,000 species of flora and fauna, for an unusual and wonderful mix of wildlife and scenery found nowhere else on the planet. This living museum inspired the work of Charles Darwin and will inspire you to see, and think of, our natural world in a whole new way. On our voyages you'll visit the most iconic of these islands, such as Fernandina and Isabela, and also smaller, more difficult-to-reach islands such as Santa Fe.

This is thanks to the most intimate ship in our entire fleet, *Silver Origin*, specifically designed to explore the Galápagos. *Silver Origin* offers the most Zodiacs per guest in the region and the most Expedition Team members who are Galápagos National Park-certified Naturalist Guides, meaning only we can unlock the most personalised expedition experience across all these magical islands.

PRE/POST CRUISE LAND ADVENTURES & SHORE EXPERIENCES

S.A.L.T. - THE HEART AND SOUL OF GREEK COOKING IN CRETE | S.A.L.T. Ashore Experience

The food of Crete has been called "the heart and soul of Greek cooking." It benefits from access to both mountains and sea, boasts incredible seafood, and features livestock grazing on fresh wild herbs and grasses. Set on a beautiful hillside, remote and private organic farm Peskesi is the ideal place for exploring and enjoying the cuisine of Crete, with a full-day immersive S.A.L.T. experience. Learn about sustainable farming, pick and taste ancient varieties of produce from the fields, and try local olive oils and wines, as you join others around the wood-fired hearth to try your hand at cooking some Cretan staples yourself.

GREAT PYRAMIDS & GRAND EGYPTIAN MUSEUM | Selected Shore Excursion

See some of Egypt's outstanding attractions: The Pyramids of Giza, the only remaining Wonder of the Ancient World; the Egyptian Museum of Antiquities, the most important depository of Egyptian antiquities anywhere; and the Sphinx. Steeped in legend, the latter was either a monument to sun god Ra or to Pharaoh Chephren with the head of a man and the body of a lion, facing east, most probably to greet the rising sun and the return of life every day.

WORLD CRUISE 2025

Iceland, 2022,
by Steve McCurry

NORTHERN EUROPE *and the* BRITISH ISLES

From North Cape to the Northern Lights this region is full of surprises.

Come and see a different side of Europe, as this north-facing region features rugged and beautifully isolated lands rich in culture, history and tradition. Thanks to our Mediterranean heritage, we consider this part of the world as being in our own backyard, so have been exploring it far and wide for nearly 30 years. Long-lasting relationships with local communities mean our itineraries – now with more than 100 destinations and 20 countries – give you the most beautiful and authentic look at the entire region.

This means you'll be able to sail the iconic Thames River into the heart of London, underneath legendary Tower Bridge, and access pristine and remote Norwegian fjords. We'll take you to the Baltic Sea and North Cape, to cross these off your bucket list, and take you on a tour all the way around Iceland. And many of our Northern European voyages have been designed to combine easily with others, so you can deepen your exploration even more.

PRE/POST CRUISE LAND ADVENTURES & SHORE EXPERIENCES

S.A.L.T. MICHELIN-STAR FRENCH CHEF EXPERIENCE & GOURMET WINE | S.A.L.T. Ashore Experience

Taste the best of Bordeaux as you meet Chef Nicholas Masse at the famous two-Michelin-star restaurant La Grand'Vigne, in the Les Sources de Caudalie Luxury Hotel, for an exclusive hands-on cooking class. You'll enjoy a memorable French cuisine experience and get a look at the hotel's professional kitchens. You'll savour a three-course lunch with wine pairing at the Table du Lavoir restaurant as you enjoy its country-chic atmosphere overlooking Bordeaux vineyards. Then you'll experience an exquisite wine tour at Château Haut-Bailly, where wines will be served in its new sustainable cellar alongside local delicacies created especially for Haut-Bailly.

THE DARK SKY OF GALLOWAY FOREST PARK | Included Expedition Activity

The International Dark-Sky Association has designated Galloway Forest as the fourth Dark Sky Park in the world. Few people live in the 300 square miles of parkland, so nights really are pitch black. Over 7,000 stars and planets are visible to the naked eye and even the Milky Way is usually easy to spot. At the Gold Tier area you'll enjoy rare night sky observation conditions and a series of dedicated refreshments as you gaze up at the stars.

WORLD CRUISE 2025

Ecuador, 2017,
by Steve McCurry

SOUTH AMERICA

Welcome to the fiery region with a Latin soul.

Featuring one of the world's largest tropical forests and oldest jungles, South America is one of the most diverse continents in the world, with lush and vibrant rainforests, arid deserts and the magnificent Andes Mountains. From the loud Carnival in Rio to the live music filling the streets of Panama City, Lima and Buenos Aires, it's a part of the world full of unique sights and sounds. But South America also defies stereotypes, as it encompasses a huge range of civilisations, histories, traditions and

many delicious types of food for a unique blend of indigenous culture and Spanish influence. It also features some of the world's most remote destinations such as Ushuaia, and well-known cities such as Rio de Janeiro and São Paulo. We offer a wide choice of itineraries and voyage lengths, from a short exploration giving you the best highlights of Latin America to a full 71-day circumnavigation of the entire continent. As always, the choice is yours.

PRE/POST CRUISE LAND ADVENTURES & SHORE EXPERIENCES

TAIPIVAI VALLEY SCENIC DRIVE | Selected Shore Excursion

Discover Nuku Hiva by 4x4, as you follow the footsteps of novelist Herman Melville. First up is Muake Hill, for a magnificent view of the bay. Then the Toovii Plateau and Taipivai Valley, where he was captured by natives. After a tour of Taipivai, travel back to Taiohae to see the Notre Dame Cathedral of the Marquesas, built with different coloured stones from all six islands.

BLACK PEARL FARM VISIT | Selected Shore Excursion

Find out how black pearls are grown in Rangiroa and French Polynesia. You'll visit a local farm where you'll learn about this unusual industry as you see how oysters are selected and pearls produced, and how they're graded for quality, shape and lustre.

PAPUA NEW GUINEA - BAINING FIRE DANCE | Included Expedition Activity

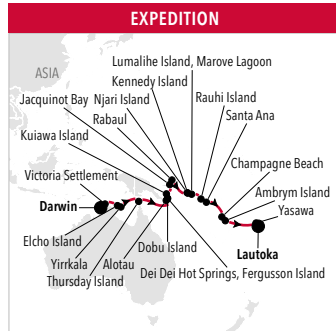

Witness men of the Baining tribe perform their sacred nocturnal Fire Dance in costume. Legend has it the movements of this dance match those of the spirits of the forest, with the fire representing the first volcanic eruption seen by man. They dance around it and then inside, all without getting burned.

Welcome to the club

Join our special circle of close-knit friends and like-minded travellers.

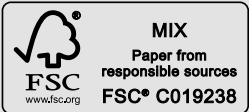

From the instant you step onboard a Silversea ship you become part of our extended family, The Venetian Society. Members from all over the globe are united by a common passion: to explore the world in the most authentic and in-depth way possible.

Upon completing your first voyage, you become a fully-fledged member, and with each new journey and each new experience you'll enjoy exclusive membership privileges and milestone rewards. You'll also forge life-long friendships and create unforgettable memories along the way.

You'll be recognised instantly by our staff, as we take pride in getting to know you well – from bar staff recalling how you like your drinks on sight, to our butlers anticipating your every need before they even arise.

These heartfelt touches are at the core of our unique, personalised service and are a constant reminder you're at sea with Silversea.

Members of the Venetian Society benefit from additional savings on selected voyages, highlighted with the  icon in this brochure.
