## *where* you belong

**From the start, our mission has been** to bring like-minded travelers together in an atmosphere of casual elegance, and take them to the most desirable destinations on earth. Our ships are designed and crafted for this purpose, and our crew is dedicated to facilitating the serene, satisfying sense of belonging that brings people back aboard to sail with us again and again.

The ships themselves feel intimate and easy to live in. Details are sumptuous, inviting and well thought out. Lounges, dining venues and public spaces are convenient to each other, and accommodations are separate, harboring peace and tranquility. Generous expanses of open deck are just steps away, with ample sun and shade, in both convivial social areas and quiet nooks, according to your mood.

But what may delight you most is the people with whom you'll share your journey. Within a day you will realize you are a member of this group. They are interesting people with interesting ideas, who are accomplished, friendly and frequently funny. They share with you a curiosity about the world and the people in it. You are off on the same sorts of adventures, and it is possible — even likely — that some will become good friends.

Welcome aboard Seabourn — where you belong.

## the Seabourn *fleet*

**Seabourn's fleet of intimate, all-suite ships** provides you an enviably elite address in the world's most desirable destinations. Their sleek, eye-catching lines attract attention in the best possible way. But their beauty, though striking, is much more than skin deep. Superbly engineered and masterfully crafted, they will carry you smoothly and nimbly to the heart of great cities, to exclusive yacht harbors and secluded coves where larger ships cannot follow.

### **Seabourn Odyssey, Seabourn Sojourn and Seabourn Quest**

Hailed as "game-changers for the luxury segment", these stunning sisters represent an evolution of elegance in luxury, small-ship cruising. Their generous proportions, encompassing no more than 229 spacious, ocean-view and veranda suites, allow an enhanced array of amenities and features, as well as ratios of space and service staff per guest that are among the industry's highest.

### **Seabourn Encore**

Modeled from our award-winning trio of Odyssey class ships, Seabourn Encore will be configured with one additional deck and newly expanded public areas. Designed by hospitality design icon Adam D. Tihany, Seabourn Encore will feature modern design elements and innovations consistent with our reputation for understated elegance. This beautiful new 40,350 GRT vessel will have 300 suites, each with its own private veranda.

**ENCORE**  
 DEBUTING IN 2016  
 RE-DEFINING SMALL SHIP LUXURY AGAIN

“It will crown a fleet that is already the newest, most modern and most acclaimed in the ultra-luxury segment.”

In 2016, Seabourn will introduce *Seabourn Encore*, its fourth new ship in seven years. The new ship is as strikingly beautiful and as excitingly innovative as any Seabourn has ever debuted. It will crown a fleet that is already the newest, most modern and most acclaimed in the ultra-luxury segment. Modeled on the award-winning trio of small ships introduced with *Seabourn Odyssey* in 2009, the stunning new vessel offers one additional deck. *Seabourn Encore* represents yet another welcome stage in the evolution of small-ship cruising, which Seabourn pioneered and which it has consistently expanded and enriched. An additional sister-ship, *Seabourn Ovation*, is scheduled for 2018. Both sisters will benefit from Seabourn’s peerless legacy of luxury and, like their predecessors, deliver a wealth of new concepts, a fresh vision and a host of illuminating ideas to delight the world’s most discerning travelers.

In 1988, the revolutionary *Seabourn Pride* introduced modern ultra-luxury small ship cruising, offering guests a casual, relaxed elegance previously

available only to owners of the most fabulous private yachts. The ship was intimate and nimble enough to visit both great cities and smaller, picturesque harbors. Guests enjoyed spacious ocean-view suites, and the variety of public spaces encouraged relaxed socializing. At the stern, a novel platform unfolded to become a watersports Marina, like a private beach resort. Seabourn added sister-ships *Seabourn Spirit* and *Seabourn Legend* to its fleet, as well as new signature experiences including a lavish *Caviar in the Surf*® beach party; a *Shopping with the Chef* excursion to a local market and an exclusive *Evening in Ephesus concert*.

In 2009, Seabourn further expanded the luxury of appealing choices for their guests by introducing the stunning *Seabourn Odyssey*, hailed as “...a game-changer for the ultra-luxury segment.” Though much larger, the sleek new hull carried

only about twice the number of guests, allowing a greater variety of all-suite accommodations, most with private verandas, generous expanses of open teak deck and multiple indoor and outdoor dining venues. Many favorite Seabourn features remained in *Seabourn Odyssey’s* design.

The new design also held delightful surprises. Seabourn Square combined a library and sitting room, a computer center, a discreet Guest Services enclave, and a European Konditorei-style coffee bar with an espresso machine and snacks. An intimate Restaurant 2 alternative dinner venue, and *Seabourn Odyssey’s Spa at Seabourn* was the largest on any luxury cruise ship, with an innovative Motion Studio and full-service salon. Two identical sister-ships, *Seabourn Sojourn* and *Seabourn Quest*, were introduced in 2010 and 2011. This trio of beautiful, ultra-luxury vessels quickly won the

hearts of Seabourn’s loyal audience and the rest of the travel industry. They have repeatedly been named the best small ships in the world, and enjoy a loyal following of avid travelers who prefer them above all others.

The arrival of *Seabourn Encore* and *Seabourn Ovation* will prepare Seabourn to lead the way into a new era with the most modern ultra-luxury fleet in the industry — a fleet that will continue to delight travelers with fascinating, innovative itineraries and a gracious, intuitive hospitality that enhances its status as the world’s finest small-ship cruise line.

“The new ship is as strikingly beautiful and as excitingly innovative as any Seabourn has ever debuted.”

# A MASTER'S TOUCH

*“I have designed a ship that conveys a sense of spontaneity and exhilaration, eliciting the sensation of discovery and novelty that will complement the rest of the guests’ travel experiences.”*

— ADAM D. TIHANY

To further advance its mission with *Seabourn Encore*, Seabourn commissioned preeminent designer Adam Tihany, who specializes in developing elegantly individual spaces for the most highly rated hotels, restaurants, resorts and spas in the hospitality industry. He is also renowned for his unique ability to realize and embody the particular personalities of his clients and the preferences of their clientele in his designs.

For *Seabourn Encore*, Tihany was especially sensitive to the fact that Seabourn’s guests occupy the ship for at least a week while cruising the world’s most desirable destinations. Many sail for even more extended periods. As guests explore the ports of call, they dine, play and socialize on board. He noted that, as travelers, they are essentially involved in exploration, discovering new sights and experiences.

“I realized how much of Seabourn’s overall product is dedicated to satisfying their guests’ appetites for surprise,” he said. “From the planning of itineraries, to the cuisine, to their style of service, they are always focused on surpassing expectations and eliciting the sort of delight that results from the unexpected. With that in mind, I have designed a ship that conveys a sense of spontaneity and exhilaration, eliciting the sensation of discovery and novelty that will complement the rest of the guests’ travel experiences.”

Although the architecture of *Seabourn Encore* is not radically different from Seabourn’s other three ships, Tihany’s vision of the interiors is present throughout the ship. There is a new softness and a curvaceous elegance to his designs that reflect a noticeably bespoke aesthetic. The vessel feels more luxurious, more like a private residential yacht. Nautical visual elements are employed with an exceptional intelligence and sophistication. And, true to his vision, Tihany has enriched the entire ship with an impressive array of unexpected surprises and subtle transformations for guests to continually discover and enjoy.

## delight in culinary *celebrations*

During your Seabourn voyage, you are offered a variety of tempting dining experiences throughout the ship and around the clock. As we do with everything else on Seabourn, we provide a range of enticing options, and leave the choosing up to you. And because we understand that your appetite changes with your mood, we welcome spontaneity. Most dining venues on board are open seating, allowing you to dine where, when and with whom you choose, whether as a carefully planned celebration or a spur-of-the-moment inspiration.

Champagne and caviar, or milk and cookies? They say the heart wants what it wants, and in our experience, so does the palate. Our menus are designed to satisfy a variety of appetites at every meal. Seabourn chefs take advantage of the highest-quality ingredients, and scour local markets for fresh produce and seasonal specialties. Drawing on their wide-ranging expertise, they create the elements for beautifully presented feasts that will satisfy both adventurous eaters and those who prefer familiar flavors and classical preparations. Just as in the finest restaurants ashore, nearly all the food served on board a Seabourn ship is prepared à la minute, only after the chef receives your order.

### Award-Winning Cuisine

Gourmet dining experiences that rival the finest restaurants anywhere

All dining venues are complimentary — dine when, where and with whom you wish

Open bars throughout the ship and complimentary fine wines poured at lunch and dinner

Casual, elegant indoor/outdoor dining options

World-renowned American chef and restaurateur Thomas Keller has joined Seabourn in a culinary partnership to further enhance the guest experience and complement Seabourn's already celebrated cuisine

## *delightful* dining choices

Day after day, Seabourn ships offer a deliciously tempting menu of choices about when and where you dine. Creating wonderful dining experiences is an integral part of our hospitality, so there is never an extra charge for dining on board. Most restaurants are open seating, and reservations are required only in the smallest alternative venue. There are more than enough seats to accommodate all guests during every meal service. The choice is yours to make.

**The Restaurant.** Before Seabourn, open-seating dining on a cruise ship was unheard of. Come when you like, with whom you please, and be seated as you wish. The room is beautiful, the cuisine is exquisite at breakfast, lunch and dinner, and the service is simultaneously flawless, friendly and fun.

**Restaurant 2.** So named because... well, because it is a delightfully different alternative. More intimate and innovative, R2 offers nightly tasting menus presenting diners with flights of small plates, combining an array of fascinating flavors and fanciful presentations into a creative, delicious and memorable meal.

\* Restaurant 2 is only available on Seabourn Odyssey, Seabourn Sojourn and Seabourn Quest.

**The Colonnade.** Our slightly more casual alternative offers appealing indoor and outdoor tables for breakfasts and lunches featuring beautiful, bountiful buffets, plus a selection of

à la carte items and daily specials from the kitchen. Evenings find these pleasantly lively spots serving regionally themed dinners with full table service.

**Patio Grill.** Dine on deck for a refreshing change of pace. When it's just too nice to go indoors, settle in to a casual lunch or dinner of salads, soups, sides and freshly grilled specialties in an impromptu, al fresco setting.

**In-Suite Dining.** A round-the-clock menu offers tempting selections anytime. During extended dinner service hours, you can enjoy a complete meal ordered right from that evening's The Restaurant menu, served for you in your suite or on your veranda.

**Seabourn Square.** You may find yourself at our Konditorei-style Coffee Bar for cookies, a pastry or a slice of cake to accompany your preferred pick-me-up. You'll also find a selection of savory finger sandwiches and a tempting array of gelati

if you're in the mood. Feel free to stop by, from first thing in the morning until after dinner.

**New Sushi restaurant.** An enticing lunch and dinner alternative for guests onboard Seabourn Encore will feature innovative menus celebrating the visual appeal and complexity of freshness, flavor and texture that characterize the Japanese art of sushi.

**New Signature restaurant.** Our new signature restaurant to be revealed in the Spring 2016\* will feature culinary selections by world-renowned Chef Thomas Keller. Dishes in this exclusive venue will be prepared with the highest quality ingredients to exacting specifications resulting in an unrivaled dining experience like no other at sea.

\*Our new signature restaurant will be revealed on Seabourn Quest in Spring 2016 followed by Seabourn Encore when she debuts later that year. All Seabourn ships will have the new dining concept by early 2018 with the launch of Seabourn Ovation.

"There is really no chef more accomplished or held in higher esteem than Chef Keller, and we are both

honoured and delighted to have a restaurateur of his stature take our onboard culinary offerings to an even higher level," said Seabourn President Richard Meadows. "His culinary talent and sophisticated cuisine are beyond compare and the perfect match for our guests. Seabourn's executive chefs will lead similar training sessions with their highly-skilled onboard culinary teams to further deliver an authentic dining experience.

"As in any of our land-bound kitchens, we will work with the Seabourn team to place an emphasis on the finest ingredients, consistent preparations, and an attention to service that will elevate the guests' experience and help them to make memories while on their Seabourn journey," said Chef Keller.

**One of the best rewards of traveling** with Seabourn is time. And that is never truer than on a day at sea. Even as your ship carries you comfortably toward your next landfall, an array of appealing opportunities waits to be explored. Otherwise there is a contoured, nine-hole putting course to test, located right between the folks enjoying spirited shuffleboard matches. A day at sea is the perfect time to indulge in a session at the Spa, or have a mani-pedi and a facial at the Salon.

In your suite, meanwhile, a menu of hundreds of music options and classic and first-run films are at your fingertips, and no one will notice if you happen to doze off for a bit.

## evening *options*

**On most evenings**, your Seabourn ship is underway. In the bars and lounges, music and laughter underscore the tales of today's adventures recounted for the first of many times. A subtle current of excitement lights the sun-blushed faces around dinner tables. Toasts are proposed and celebrated. After dessert, people follow their moods to various pursuits: a dazzling production show in the Grand Salon; a lively session of dancing at The Club; a spirited match with Lady Luck in the Casino; or a more intimate conversation up in the Observation Bar. Throughout the evening, you are free to migrate from one enticement to another. Enjoy flaming desserts on deck, relaxing *Movies Under the Stars*<sup>®</sup>, or a take part in a high-energy Rock the Boat dance party around the pool. Later, perhaps you'll stroll the open deck again, and marvel at a luminous Milky Way, as your Seabourn ship glides quietly toward tomorrow's adventures.

Seabourn supports World Heritage conservation through sustainable tourism

*world heritage* defined

Heritage is our legacy from the past, what we live with today, and what we pass on to future generations. Since its beginnings in 1959, the mission of the World Heritage Centre has been to identify, safeguard and promote unique natural and cultural heritage around the world deemed to possess universal value for all humankind. Today it is an organization of 191 states parties, all united in mutual agreement that such significant importance transcends national location or origin, and ought to be preserved for the benefit of everyone on earth.

The list of inscribed World Heritage properties includes many high-profile historic and archaeological sites such as Venice and its Lagoon, India’s Taj Mahal and the temple complex of Borobudur in Indonesia. It also encompasses natural splendors such as Iguazú Falls located between Argentina and Brazil, Australia’s Blue Mountains and the exquisite Plitvice Lakes of Croatia. Some sites are designated as possessing mixed natural and cultural significance. The list also contains intangible cultural heritage such as indigenous musical traditions or the remarkable non-verbal “whistling” language that developed on La Gomera in Spain’s Canary Islands.

It is only natural that Seabourn’s hundreds of destinations include many of the same places that UNESCO has inscribed to their list of World Heritage Sites. Our membership in the UNESCO alliance offers significant advantages for our guests:

- Guest experts with special knowledge about World Heritage Sites will join our voyages as part of our Seabourn Conversations series throughout the year, providing you with exceptional insights and background information about the sites and the organization.
- An array of unique shore excursions take advantage of our alliance and allow you to participate in the efforts of the World Heritage Centre as you enjoy visiting and learning about these unique places. A small donation to UNESCO’s World Heritage Fund will be added to the prices of these optional tours. There are two types of these special excursions.

◆ **Seabourn World Heritage Tours** include visits to World Heritage Sites.

◆ **Seabourn Discovery Tours** are visits to World Heritage Sites with content exclusively enhanced through our alliance.

## Adriatic & Greek Isles

**Dappled is a word you may never have used**, even if you have a sense of what it means. But the moment you see a scatter of glowing, soft-edged spots of light dancing on a shady, whitewashed wall in Greece, you will never forget it. When you book a journey, you expect to learn things — history, art and architecture, and cultural insights. However, it may not occur to you that it might expand your vocabulary in the wordless language of light. Sailing among the sites in the Eastern Mediterranean, you will acquire fascinating facts. But in the end, the scent of wild oregano, or the surprising tang of pine-sap in a sip of chilled retsina may be the sensory souvenirs you recall most vividly, long after you return.

## Northern Europe

Summer stretches out the days in Europe's north. From every rosy dawn, daylight extends in a solar celebration, long into a lingering twilight that, in certain latitudes, never quite fades to darkness. Markets fill with baskets of berries, sleek silver salmon and heaps of pearl-pink shrimp fresh from clear, chill seas. In Helsinki, artisans display woods polished to a silken gloss through winter months, and gossamer woolens dyed in vivid wildflower hues. The pastel tints of St. Petersburg's rococo palaces shift throughout the day, their gilded domes reflecting sunbeams dancing off the Neva. Slow shadows slip across the dramatic walls of Norway's fjords; a sundial scaled for the ancient Norse gods.

## Atlantic Crossings

There is no gift more precious than time; it is literally priceless. An ocean crossing aboard a Seabourn ship is an especially luxurious portion of precious time, gift-wrapped in gracious hospitality and personalized for your particular pleasure. Daytime options abound, from active pastimes to fascinating lectures, games or the indulgence of a world-class spa. And you always have the prerogative to seek a spot in sun or shade on deck, and read, enjoy music or chat with shipmates. Nights sparkle with gourmet dining, a variety of entertainments or an action packed casino. No wonder many savvy travelers give themselves this special gift year after year.

## Holy Land, Arabia & India

A web of caravan trails and sea-routes between the empires of antiquity served a trade in gold, pearls, spices and silks. Scattered along its path were centers of learning as famous, in their heydays, as any that ever existed. Medieval Arabian scholars, instructed by their faith, gathered and refined the texts of Egypt, Greece and Rome. Astronomy, mathematics and medicine flourished in cultural oases as fertile as those that watered desert sands. Dhows and caravans have followed these routes for centuries, embellishing a legacy that is as rich in legends as it is in beauty.

## Asia

**Rare wonders reached the courts of Europe:** gems of brilliant colors, translucent porcelains and silks as light as spider webs. Fabulous tales attached to them, of gilded temples and palaces; of mythic beasts, rumors of dragons. Over centuries, as once-impenetrable gates opened, the world was revealed to have another half, as wide and rich as could have been imagined. Sail among the islands of the Java and South China Seas. Marvel at ancient temples in Myanmar, Thailand and Vietnam, and shining glass towers in Singapore and Shanghai. Contemplate the tranquil gardens of Bali and Kobe, and the invigorating bustle of Taipei.

## Panama Canal & South America

Seabourn Quest traces the coast of South America seasonally between Buenos Aires and the Caribbean, calling in at scenic Rio de Janeiro and the colorful towns of Brazil's northeast, and venturing up the mighty Amazon to explore its jungle-shrouded banks. Seabourn Odyssey sails another classic route, transiting the Panama Canal. Along the way, the remnants of early Mesoamerican cultures blend with the Spanish charms of towns such as Antigua, Guatemala and Cartagena. The canal itself is an unforgettable experience — your Seabourn Odyssey rises and falls with grace as gravity-fed water fills and empties the huge locks.

MANZANILLO, MEXICO

## Caribbean

Seabourn's intimate, nimble ships make the most of their time among the islands of the Caribbean. They seek out the sheltered harbors and unspoiled towns where visitors are welcomed with low-key friendliness and traditional hospitality. Our itineraries give the captain options to anchor in a secluded cove and deploy the ship's unique fold-out Marina for an afternoon of watersports, or have the staff prepare a festive *Caviar in the Surf* beach barbecue. So, step ashore into Seabourn's Uncommon Caribbean.

## Canada & New England

In autumn, the hardwood forests' display of color is world-renowned. This is when we bring Seabourn Quest to the colonial capitals and scenic ports of Canada and New England. These voyages possess a wide variety of appeal to satisfy any interest. The towns along Québec's St. Lawrence River might be mistaken for villages along the Loire, and the shingle beaches of Gaspé and bluffs of Prince Edward Island recall Brittany. Bar Harbor's granite slopes and lobster shacks still attract **seasonal** yachtsmen, as they did during the heyday when the Giants of Industry built palatial summer "camps" to celebrate their holidays in rustic grandeur.

seabourn club

As a valued member of our Seabourn Club, you know you can look forward to an especially warm welcome when you next step on the gangway. You will enjoy a comfortable familiarity with the ship and staff, a shared camaraderie with your shipmates, and an array of exclusive Seabourn Club benefits that we offer in sincere gratitude for your loyalty — benefits that extend from recognition, rewards and privileges on board to added values and special offers at home. Those benefits begin to multiply in a very short time, and they accumulate into the most valuable loyalty rewards programme in cruising. Your loyalty is rewarded in two ways: Milestone Awards based on the number of days you sail and Seabourn Club Points. Just as we offer you the luxury of choice while on board, we want to extend to you the luxury of choosing from a range of benefits when you sail with us.

**Milestones Awards**

Each day you sail with Seabourn earns you one Sailed Day, and these days count toward your Milestone Awards. Seabourn Club Milestone Awards feature a complimentary cruise of up to seven days when your Club account reaches 140 Redeemable Sailed Days, or a complimentary cruise of up to 14 days when 250 Redeemable Sailed Days is reached. We are also pleased to recognize you at an onboard event with a special gift from Tiffany & Co®. when you celebrate these Sailed Day milestones:

- 100 Sailed Days
- 200 Sailed Days
- 500 Sailed Days
- 1,000 Sailed Days
- 1,500 Sailed Days
- 2,000 Sailed Days
- 2,500 Sailed Days

**Seabourn Club Points**

In addition to earning Milestone Awards, you can also earn Seabourn Club Points that qualify you for an array of additional benefits on board and at home. These points establish your Seabourn Club Membership level. There are a number of ways to earn Seabourn Club Points:

- Each Sailed Day on board a Seabourn ship earns you one Seabourn Club Point
- Guests who pay published fares for penthouse or premium suites earn an additional Seabourn Club Point per Sailed Day.
- Each night on an escorted *Seabourn Journey* earns one Seabourn Club Point
- Every <sup>US</sup>\$500 of eligible onboard and pre-cruise online purchases earns one Seabourn Club Point, limited to one additional Seabourn Club Point for each Sailed Day.
