The many advantages of the AMADEUS CRUISER CLUB

You can enjoy your advantages already after one cruise on an AMADEUS cruiser. Each member of the club receives an exclusive on-board credit worth €30 to spend on board and is welcomed to a private cocktail reception hosted by the cruise manager.

And there's more to come: when you have been on three of our cruises, we upgrade your membership to make you an AMADEUS STAR member: this lifts the value of the exclusive on-board credit to €50 per person for your next trip and entitles you to additional preferential treatment such as a welcome gift in your cabin, a cabin upgrade (subject to availability) and an invitation to sit at the captain's table for the gala dinner.
