

ALASKA

#1 in Alaska.¹ #1 in awe.

Sail with Princess® in 2027 and discover why more travelers choose us to explore Alaska's glaciers, wildlife, and majestic landscapes.

With nearly 60 years of expertise, Princess Cruises brings you closer to Alaska's wild beauty than anyone. With awe-inspiring glaciers, towering peaks, untamed wildlife and a front-row seat to it all, the Great Land offers an adventure that lives up to its name.

Sail with the #1 cruise line in Alaska and discover why Princess takes more guests here than any other line – from enjoying sustainable seafood to excursions that make you feel like a local. You'll experience thrilling shore excursions, immersive cruisetours, and our newest ship, Star Princess®. With five departure ports, four glacier experiences, family-friendly itineraries, and 17 unique ways to explore, there's a perfect Alaska adventure for everyone.

Jaw-dropping moments

Alaska's wild beauty jumps off the postcard and into real life — and with Princess, you're front-row for the show. Watch bald eagles soar, bears amble toward salmon-rich streams and humpbacks breach in icy waters. Venture into Denali National Park to spot the Big 5 — grizzlies, moose, wolves, Dall sheep and caribou — and North America's tallest peak. Whether you're touching down on a glacier, gazing up some of the tallest mountains in the U.S. or crossing rugged terrain by rail, the views are endless.

North to Alaska®

Created with local experts, our award-winning North to Alaska® program brings the spirit of the Great Land to life, both on board and ashore. Feast on king crab, halibut and wild salmon — even the ones you catch yourself! Meet lumberjacks, hear lore from local storytellers and enjoy cultural programs for all ages.

Colorful communities

Each enchanting frontier town adds a new layer to your Alaska story. In Juneau, glacier views compete with gold rush charm — and nearby Mendenhall Glacier is just a short trip away. Step into the past in Skagway: Pan for gold, sip a drink at the Red Onion Saloon and ride the rails through the White Pass. And Ketchikan — Alaska's "first city" and the salmon capital of the world — welcomes you with Native heritage, wild landscapes and small-town warmth.

Voyage of the Glaciers

This top-rated 7-day itinerary showcases the best of Alaska with two glacier-viewing days: Glacier Bay National Park, a UNESCO World Heritage Site, and either Hubbard Glacier or College Fjord.

Roundtrip Sailings

Princess Alaska cruises are your ticket to adventure amidst the Great Land's glaciers, wildlife and forested shores of cascading waterfalls and granite cliffs. Glimpse whales and other marine life as you sail through pristine waters of Alaska's Inside Passage en route to three frontier-flavored port towns filled with gold rush history. A highlight is a day of scenic cruising at awe-inspiring Endicott Arm and Dawes Glacier or Glacier Bay National Park.

Explore by sea, rail and land

It's hard to imagine a more adventurous place than Alaska, and a Princess cruisetour ensures you make the most of it. Combining a 7-day Voyage of the Glaciers cruise with nights at our wilderness lodges, you'll fully experience Glacier Bay, Denali National Park, and a host of enriching excursions from your lodge.
