THE THINKING PERSON'S CRUISE

Created for discerning travellers with true explorer spirits

WE ALL TRAVEL TO EXPLORE, TO LEARN, TO UNDERSTAND. At Viking, we believe travel should be more than just a trip—it should be a doorway to cultural insight and personal enrichment. That is why our cruise itineraries are designed to help you explore the most intimate nuances of your destination: its food, culture, countryside and customs.

BEFORE you travel, we provide you with material to help you plan and anticipate your journey, from filmographies that inspire wanderlust to recommended reading that informs and enlightens.

ASHORE, you might accompany the ship's chef on a visit to a local market, step behind the scenes at a famous theatre company, tour a chocolate or car factory, or view private collections and hidden vaults at world-class museums.

ONBOARD activities are also designed for the thinking traveller seeking enrichment and renewal. Instead of casinos and waterslides, we offer world-class lectures on history and art, tastings of vintage wines from your destinations, restaurant menus inspired by local cuisine and other opportunities to share your region's culture with like-minded explorers.

CONNECT with fellow travellers on board our ships, designed with a comfortable intimacy to encourage lifelong friendships and an ease of discovery that larger ships cannot offer. By journey's end, our aim is to help you feel more connected—to your newfound friends and your destinations.

SAN JUAN, PUERTO RICO

THE SMALL SHIP EXPERTS

Enjoy more time in port

AFTER LEADING THE RIVER CRUISE INDUSTRY for two decades, we have refined the small ship sailing experience for our guests. Now we have taken that same small ship, destination-focused experience to the seas and redefined ocean cruising as our elegant vessels sail through Scandinavia, the Baltic, the Mediterranean, the Caribbean, Asia—and beyond. And because we own and operate our ships, we deliver a seamless, consistent experience, from the banks of the Amazon to Adriatic shores.

ON A VIKING SHIP, you will sail into the heart of your destination, so you can explore up close and in depth. The size of our vessels—*with just 930 guests*—gives us greater maneuverability, allowing us to dock where the mega-liners that dominate the world's ports today cannot. From our prime, central berths in the world's great cities such as Venice, London, Hong Kong and Sydney, and in seldom-visited ports like Kotor, Montenegro and Scotland's Shetland Islands, enriching cultural discoveries are just a short walk from your ship.

Further, we design our itineraries to allow you to *spend more time in port*, with overnight stays in virtually all ports of embarkation and disembarkation. With fewer days at sea, you will have ample time to immerse yourself more fully in each destination.

No other cruise line brings you so close to your destination's doorstep. And no one else helps you uncover so much about a culture and its beauty while you are there.

*“Overall, the general ambience brings to mind
a boutique hotel that emphasises design
but not at the expense of comfort.”*

– Carolyn Spencer Brown, Editor in Chief, Cruise Critic

*“Viking has taken the best elements of its river
product and brought them to the high seas.”*

MAMSEN'S CAFÉ IS NAMED AFTER
THE CHAIRMAN'S MOTHER AND
FAMILY MATRIARCH

WINTERGARDEN

When you yearn for serenity, we invite you to the Wintergarden. In this elegant space under a canopy of Scandinavian trellised wood, you can participate in a calming tea ceremony or indulge in an afternoon tea service. We took design hints straight from nature to create a unique and inviting space.

MAMSEN'S SCANDINAVIAN DELI

MAMSEN'S CHINA

MAMSEN'S CHINA

As you savour the traditional Scandinavian fare at Mamsen's, you will see even the china evokes the legacy of the Hagen family matriarch for whom the gourmet deli was named. After Mamsen passed away, the family found her old dishware, stamped with the "Tor Viking" logo. The producer of the dishware was able to replicate the pattern for our guests to enjoy.

EXPLORERS' LOUNGE & MAMSEN'S

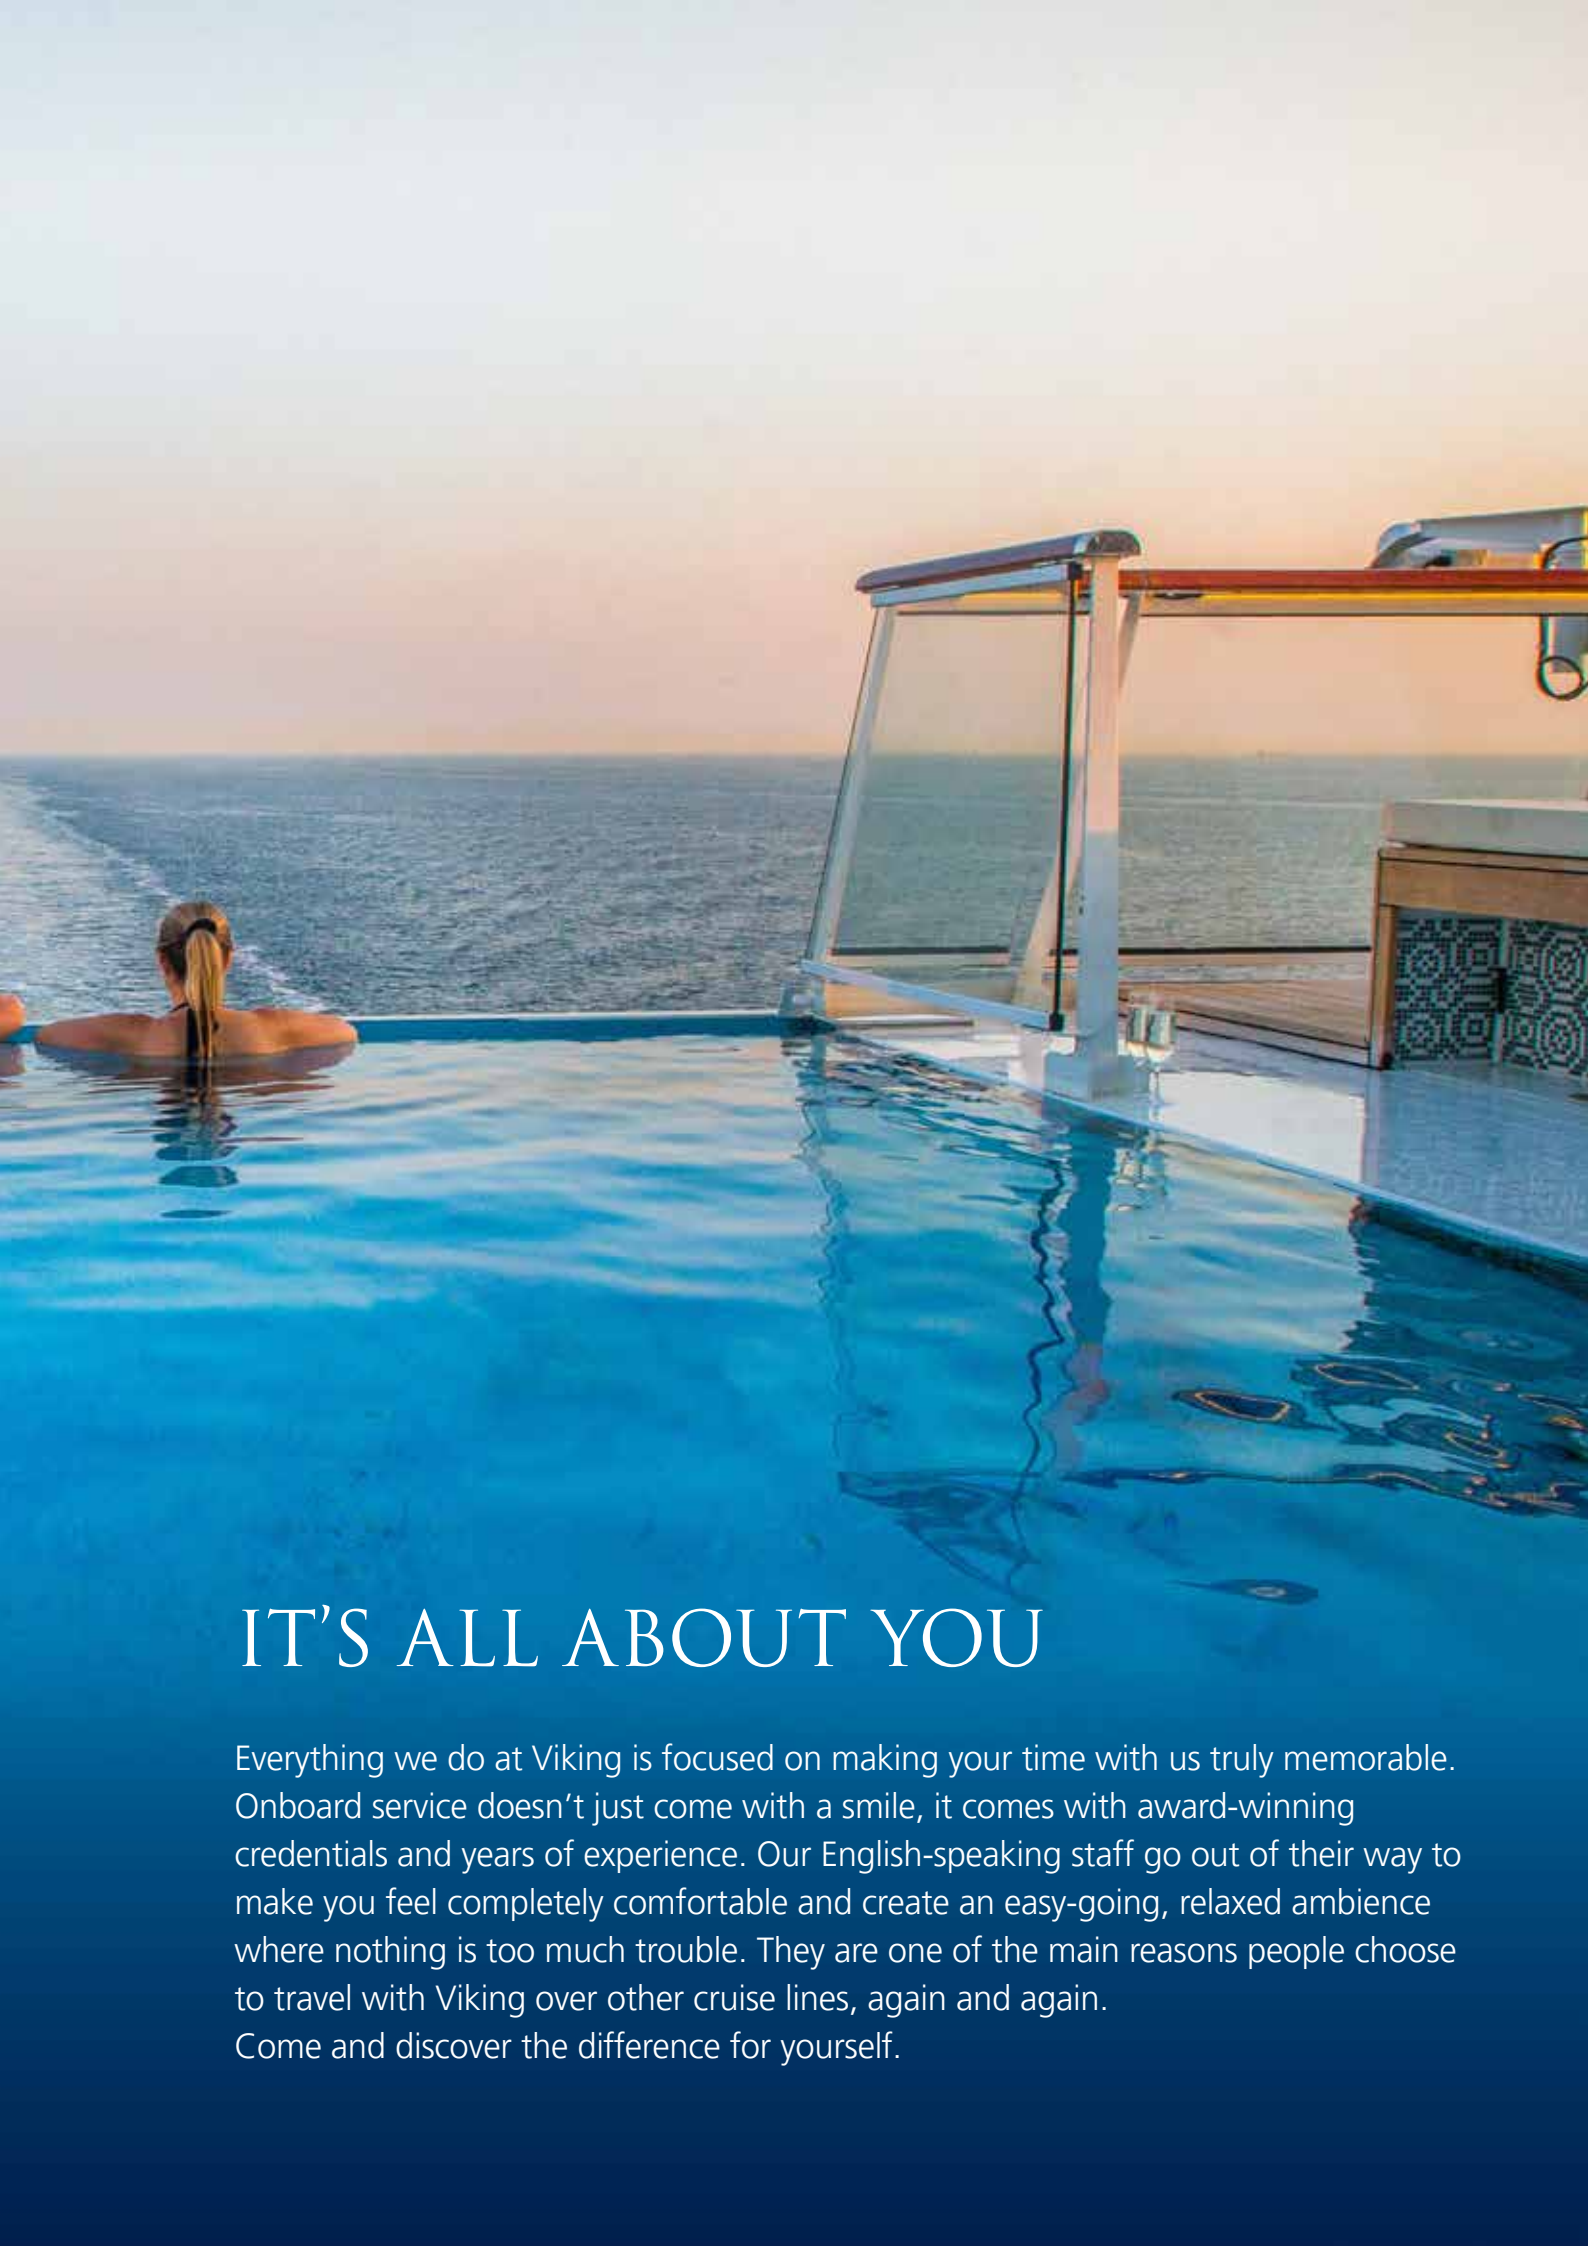

Share a cocktail with friends. Linger over a Norwegian breakfast and a nautical history book. We have designed the Explorers' Lounge and Mamsen's gourmet deli in the Scandinavian spirit, for complete relaxation and for marvelling at sweeping views through double-height windows.

YOUR OWN PRIVATE VERANDA

EVERY ROOM HAS A VIEW *and a veranda*

In our view, all our guests are entitled to a great view wherever they are on board. So when we designed our ocean ships, we made sure that every stateroom – no matter what grade – has its own spacious, private veranda. Somewhere to sit on a sunny afternoon and watch the world go by. Or enjoy dinner for two under a starlit sky. Of course, it does make your beautifully-appointed, super-stylish stateroom harder to leave. The most al fresco dining at sea

AT VIKING, WE CELEBRATE DINING BOTH ON SHORE AND ON OUR SHIPS. Our ocean vessels put the spotlight on fine dining in The Restaurant, which serves three full meals and the widest choice of culinary options. And Mamsen’s, our traditional Scandinavian deli, features light meals based on Mamsen’s own recipes.

SO MUCH TO SAVOUR. Few things say as much about a culture as its cuisine. Regional dishes from market to table at The Kitchen Table; freshly prepared pastas and Chianti by the carafe at Manfredi’s; a multicourse tasting menu with wine pairings at The Chef’s Table; international fare at the World Café; gourmet burgers at the Pool Grill; afternoon tea and scones at the Wintergarden. Vintage wines available at the Viking Bar or with your meals. And rare Armagnacs in Torshavn. With so many onboard dining opportunities, there is something to please every palate.

THE SPA

“The ship’s spa is the most gorgeous we’ve seen at sea. Services, which include salon treatments from hair styling to pedicures, and a whole range of massage and facial options, are top notch. The Norwegian-influenced relaxation area comes complete with thalassotherapy pool, whirlpools, a Snow Grotto (big tip here: wear slippers!), Finnish sauna, heated tile loungers and a fireplace-like special effect; these areas are communally shared by all passengers. Locker rooms for men and women also have serene seating areas looking out at the sea, and cold-water pools. The best thing? You don’t have to buy a treatment to use the facilities. They’re complimentary – for all”

LIFT YOUR SPIRITS – *onboard entertainment*

On a Viking ocean cruise, when the sun goes down the stars come out. Like an intimate piano bar, Torshavn is a welcoming venue where you can unwind on the dance floor or find a cosy corner to relax.

There is no such thing as a typical evening on board, or shortage of entertainment. Whether it is a cabaret, opera, classical or popular music concert, the theatre is home to an inspiring choice of productions. Film fans can feast on classic movies and the latest blockbusters. Or while away the hours in the company of friends in one of the many inviting bars. Unlike on other ocean cruise ships, our very reasonable drinks prices are guaranteed to lift your spirits.

Its former might is on grand display in the official buildings around the Piazza del Plebiscito. Beyond, find the stunning blend of rocky shores and hillside villages along the breathtaking Amalfi Coast. It’s a drive unlike any other. Or visit Pompeii, buried by the eruption of Mt. Vesuvius in 79 AD.

DUBROVNIK – PEARL OF THE ADRIATIC

With its spectacular Adriatic setting, gleaming 12th-century medieval streets and incredibly preserved structures, Dubrovnik is a historic jewel. A FEW HIGHLIGHTS OF YOUR JOURNEY

DUBROVNIK, CROATIA

ATHENS, GREECE

SANTORINI – VOLCANIC SPLENDOR

With its gleaming white villages perched on black rock, Santorini is one of the Aegean's most visually arresting islands.

The dark earth tells of its volcanic origins when a massive caldera collapsed into the sea, leaving this astonishing slope of land behind. Delve into the island's origins when you cruise to Nea Kameni island and walk to its crater, examining lava fragments along your path. Then immerse yourself in a thermal spring in the breathtaking setting of Palea Kameni island.

DUBROVNIK'S DOMINICAN TREASURES

In the heart of Dubrovnik's Old City, the historic Dominican Monastery holds many secrets. It may look like a fortress from the outside, but inside it is a haven of tranquility that has been part of Dubrovnik's spiritual life for centuries. The magnificent Gothic-Romanesque church draws the devout, and its library houses a precious collection of illustrated manuscripts and Renaissance art.

KOTOR – ON EUROPE'S SOUTHERNMOST FJORD

Nestled snugly between limestone cliffs and a glimmering bay, Kotor, Montenegro is home to one of the Adriatic's best preserved medieval Old Towns. Its stunning setting and the waterway that leads us here are equally breathtaking. A 17-mile fjord winds its way to Kotor from the Adriatic Sea. The charms of this red-roofed city are endless, from the mismatched towers of its Romanesque cathedral to its narrow streets and ancient Venetian walls. With our port close to the town center, you can explore with ease.

ATHENS – CRADLE OF CIVILISATION

Athens has been called the "birthplace of democracy," and its Acropolis the "center of debate and civic life." It is no surprise, then, that you will feel its presence throughout your tour of Athens's modern political emblems: the Hellenic Parliament, Constitution Square and the Tomb of the Unknown Soldier.

Discover the capital's impressive maritime history, learn about its British heritage and visit Christ Church Cathedral, the world's southernmost Anglican church. Get the opportunity to see dolphins, seals and orcas. The island is best known for its penguins and the antics of these birds, both at sea and on shore.

MONTEVIDEO - DISCOVERY AWAITS

A relatively small city, Montevideo is a vibrant, bustling capital. While the downtown district is home to sleek, glass skyscrapers, among the modern facades you will find examples of art deco and neoclassical architecture. See the Rambla, which runs along the beachside communities, providing exceptional views. It is the perfect spot to soak up the atmosphere and witness locals fishing, taking a stroll or sharing tales over a drink.

CHILE - CULTURAL & HISTORIC GEMS

Blanketed with green parks and set at the foot of snowcapped Andean peaks, Chile's modern capital, Santiago, is one of the largest cities in the Americas. Its impressive neoclassical, neo-Gothic, art deco and other architecture spans several centuries. Santiago's gateway, Valparaíso, is often compared to San Francisco for its many hills. And its Victorian-era architecture recalls 19th-century prosperity. With an overnight here, you have time to explore Chile's central coast.
