RIVER CRUISING

A better way to explore

Nothing compares to a river.

How else but on a river can you journey into the very heart of the world's greatest cities and most charming towns, discovering the true nature of the land and its people?

Where else but on a river could you be gently carried along on an elegant, intimate ship, docking in the center of town, strolling off to begin your exploration?

How else but on a river would you travel with such ease, unpacking just once and enjoying the ever-changing scenery?

Comfortable and convenient, river cruising offers you the opportunity to go beyond the cities and see quaint riverside towns, breathtaking landscapes and wide-open skies. And because the rivers offer smooth sailing, there is no motion sickness. Small wonder so many people have fallen in love with this engaging, immersive and thoroughly enjoyable form of travel.

When you think about your next voyage, what do you see? A charming European sidewalk café on a cobblestone street? The varicolored domes of Moscow's Red Square? The expansive Great Wall of China or a floating market on the Mekong?

The world is yours to discover, and we believe the best way to make this excursion is along a river. Whether you choose the Rhine, Danube, Seine, Yangtze, Portugal's Douro, Russia's Volga or others—each river provides unique access to the character of the regions through which it flows.

THE VIKING EXPERIENCE

Immerse yourself in local culture, travel in comfort

Inspiring destinations, thoughtful itineraries, immersive cultural explorations, state-of-the-art ships, fine cuisine, excellent service and remarkable value—crafted with personal attention to every detail. *We call this the Viking Experience.*

It's the way your bartender has your drink prepared at just the right moment. The gentle guidance from your tai chi master during your lesson in China. Or the handwritten directions from your concierge to the oldest coffeehouse in Vienna. Every aspect of your time with Viking—from expertly prepared meals to carefully created enrichment programs and beautifully appointed ships—is planned to bring you closer to experiencing the most from your destination.

By owning and operating our ships, no detail escapes our attention. It is what sets us apart from our competitors. And, we never forget that looking after you well is how we became the world's leading river cruise line. It's why our guests return again and again. And why we have consistently been the most awarded river cruise line worldwide.

CULINARY ART

Embark on a delectable journey

It's been said that the best way to know a culture is through its food and wine. Both engage your senses and provide a window into the traditions and essence of a land. Our highly trained chefs are passionate about food and committed to providing a complete culinary experience. Our ships' dining areas are hospitable and inviting; our service is friendly, attentive and personalized. Our menu selections include regional dishes and contemporary cuisine to offer a variety of flavors designed to suit any palate.

FRESH FARE, REGIONAL DELIGHTS

Much of the joy of travel lies in the discovery of new and exciting dishes and the places they represent. Locally sourced ingredients—Provençal lemons, Hungarian paprika and dill from the onboard organic herb garden—inspire our chefs to create authentic regional dishes bursting with flavor.

SIGNATURE MEALS

Viking's signature "Taste of..." events introduce you to the food and drink of the region, such as our "Taste of Germany," featuring pretzels and sweet mustard, leberwurst and *Kölsch*. It's the perfect opportunity to mingle with fellow guests and enjoy a delicious sampling of regional cuisine as we bring the destination on board.

PERFECT PAIRINGS

Select from our extensive wine list chosen to complement your meal, or enjoy a vintage crafted by Viking's own vintner, with our compliments.

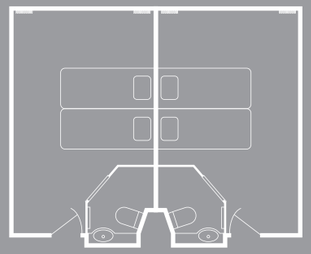

THE CHOICE IS YOURS

You have choices for breakfast, lunch and dinner. Not just in food selection, but also in where and how you enjoy them. Greet the morning with a croissant and cappuccino on deck, or begin your day with a sumptuous buffet breakfast. Have a casual lunch or dinner al fresco, or join friends in the restaurant. Open seating allows you to mingle with the same guests every evening or meet someone new each day.

VIKING'S RUSSIA & UKRAINE FLEET

FULLY REFURBISHED FLEET

Setting the standard… again

Nearly 15 years ago, Viking began in Russia with the purchase of four vessels that became the model for modern river cruising. Today, we have the only Western-owned and -operated ships on Russia's and Ukraine's waterways. Our longstanding relationships and seasoned knowledge of the towns and cities along the Volga and Dnieper Rivers allow us to deliver insightful, behind-the-scenes experiences of the real Russia and Ukraine.

Our fully refurbished fleet of Russian and Ukrainian ships sail our most popular itineraries:

Waterways of the Tsars – *page 72*

Footsteps of the Cossacks – *page 76*

For more information on these ships, see page 97.

Veranda Stateroom

OUR RUSSIAN ROOTS

While the names of Viking Longships were inspired by Norse deities, our fully refurbished Russian and Ukrainian ships are named for the first intrepid Varangians—Viking explorers who founded the Rurikid Dynasty and ruled the land we know today as Russia.

EVERY DETAIL MATTERS

From the beginning, we stayed true to the principle that details matter. Our full bow-to-stern refurbishments represent the standard by which all other Russian ships are measured.

STUNNING STATEROOMS

Each stateroom was designed with your comfort in mind—from sweeping verandas, hotel-style beds, spacious closets and full-size bathrooms to flat-panel televisions with English-language programming. With Suites, Junior Suites and Deluxe Staterooms on the Upper and Middle decks—all with verandas—we offer unmatched choice and quality in the region.

PANORAMIC VIEWS

You can enjoy uninterrupted sightseeing from the Sun deck, Observation Lounge or restaurant—all designed to give you the best views.

OUR VIKING FAMILY

Redefining the meaning of service

Can a reservations agent make booking your journey a pleasure? Will a waiter learn the name of your favorite wine, remember your food preferences and tailor his service to you? Is it possible for a concierge to feel like a close friend? Yes, if that team works for Viking. When you have the best people, you have the best service—and Viking has both. From stateroom stewards to waiters to program directors, our English-speaking staff is trained to the highest standards.

SUPERB SERVICE

At Viking, we have almost 3,000 of our own staff worldwide, all devoted to making your stay aboard the most memorable possible. Our ships are small and intimate, and every member of our crew is dedicated to personally hosting you. We are so confident we will exceed your expectations that we are the only river cruise company to guarantee our award-winning service. See our website for details.

PERSONALIZED ATTENTION

From the moment you first plan your journey to the time you return home, our staff takes care of you. They are the reason why Viking has won more consumer and industry awards than any other river cruise line. And why our guests have awarded us a 99.6% customer satisfaction rating, saying that we have met or exceeded their expectations.

FRIENDLY SMILES, FAMILIAR FACES

Loyal members of the Viking family, our staff returns year after year.

With medieval towns, grand cities, ancient abbeys, picturesque valleys and many UNESCO World Heritage Sites, a cruise along the romantic Danube is one that you are sure to love.

DAY 1 Budapest

Arrive in Budapest, Hungary's vibrant capital divided by the Danube River and embark your ship. After boarding, you have free time to explore on your own. (D)

DAY 2 Budapest

Your morning begins with a panoramic tour of the Pest side of the city. Journey along Andrássy Avenue and see the National Opera House, Parliament Building and Chain Bridge. Stop in Heroes' Square to learn more about Hungarian history, then cross the Danube to Buda's Castle District. Walk up the hill to Fishermen's Bastion and Matthias Church and enjoy brilliant views. Begin cruising along the scenic Danube River. (B, L, D)

✣ Visit St. Stephan's Cathedral in Vienna

DAY 3 Vienna

See some of Vienna's gracious architecture, then ride along the beautiful *Ringstrasse* with sights including the Opera House, *Stadtpark* and Hofburg Theater. You then see St. Stephan's Cathedral. Lunch aboard, then afternoon free time or take an optional excursion to Schönbrunn Palace. Dinner is served aboard and you may choose to complete your day in this "City of Waltzes" with an optional evening concert. (B, L, D)

DAY 4 Melk

Morning sailing through the scenic Wachau Valley to the Benedictine abbey at Melk. Join a guided tour through the ornate interior of this baroque architectural gem. See its elaborate frescoes and the library's extensive collection of medieval manuscripts. Rejoin your ship for dinner and leisurely cruising along the Danube. (B, L, D)

DAY 5 Passau

Morning arrival in Passau, at the confluence of the Inn, Ilz and Danube Rivers. Your guided walk takes you through the Old Town and past traditional patrician houses. You see the Oberhaus Fortress and visit the impressive baroque St. Stephan's Cathedral with its ornate interior. Inside, you are treated to a special concert played on the 17,000-pipe organ,* considered Europe's largest church organ. DID YOU KNOW?

Traditional architecture and sausages

The picturesque town of Regensburg is one of Europe's best-preserved medieval cities and the oldest city along the Danube. Founded by Roman Emperor Marcus Aurelius more than 2,000 years ago, Regensburg's many architectural highlights include the 12th-century Old Stone Bridge and St. Peter's Cathedral, considered the most significant Gothic structure in southern Germany. Perhaps best of all, Regensburg is home to Germany's oldest restaurant, the *Alte Wurstküche* or "old sausage kitchen."

DID YOU KNOW?

Cologne's iconic cathedral

With an average of 20,000 visitors per day, Cologne's *Dom* is Germany's most-visited landmark. This UNESCO World Heritage Site is the biggest Gothic church in Northern Europe and its distinctive twin spires crown the world's largest church façade. Construction began in 1248 and it was finally completed—to the original plan—in 1880. In 2007, it received a striking new stained-glass window by German modern artist Gerhard Richter.

Sail the beautiful Danube and discover the celebrated landscapes, cities and towns of four of Europe's most enchanting countries. This extraordinary 8-day itinerary shows you the highlights of Passau, Salzburg, Vienna, Bratislava and Budapest, and still allows plenty of time to cruise through the most spectacular scenery.

DAY 1 Passau

Arrive in Munich, then embark your ship in Passau. After boarding, use free time to explore on your own. (D)

DAY 2 Passau

Today you will take a walking tour of this elegant town, called the *Dreiflüssestadt* (City on Three Rivers), which is situated at the confluence of the Danube, Ilz and Inn Rivers. You will see the impressive *Veste Oberhaus*, a 13th-century fortress that served as a bishop's stronghold for several centuries. This afternoon, you are free to explore Passau. Dinner aboard. (B, L, D)

DAY 3 Linz & Salzburg

Today, enjoy a full-day excursion to the legendary Austrian city of Salzburg, known as the location for the film, *The Sound of Music*. Ride through the scenic Austrian countryside to Salzburg's Old Town area, a UNESCO Site, and take a walking tour featuring the birthplace of Wolfgang Amadeus Mozart and the Hohensalzburg Fortress just above the city center. Take free time to explore Salzburg's narrow cobbled streets and colorful buildings and get lunch in one of the charming cafés; return aboard for dinner and a late-evening departure. (B, D)

✣ Tour the abbey at Melk

DAY 4 Melk & Krems

This morning, visit the 900-year-old abbey at Melk, a Benedictine monastery that was originally one of Leopold II's castles. See its spectacular wall and ceiling frescoes, note the library's comprehensive collection of medieval manuscripts, and admire the graceful spiral staircase. After lunch aboard, stop at the picturesque Wachau Valley town of Krems, where you can explore on your own, sample some local vintages from this famous wine-producing region, or join an optional walking tour of the town's highlights. Dine aboard as you depart. (B, L, D)

DAY 5 Vienna

Today we tour the Austrian capital of Vienna. Ride along the *Ringstrasse* and see some of the city's highlights including the world-famous Opera House, St. Stephan's Cathedral and Hofburg Palace. Return to your ship for lunch; the rest of the day is yours to further explore. Or take an optional tour to Schönbrunn Palace, the Versailles of Vienna, graced by a number of formal gardens and classical statuary. After dinner, relax or enjoy an optional classical concert. (B, L, D)

DAY 6 Bratislava

Arrive in Bratislava this morning and embark on a walking tour of Slovakia's charming capital. See attractions like the medieval Town Hall complex and fortifications at Michael's Tower, baroque Jesuit Church and Gothic St. Martin's Cathedral, and pass by several Habsburg-era baroque palaces before returning to your ship for lunch and departure. Enjoy relaxing Danube cruising; sail into Budapest late this evening. (B, L, D)

DAY 7 Budapest

Today we visit highlights of both the older "Buda" and more cosmopolitan "Pest" sides of the city, starting with Pest's National Opera House and historic Heroes' Square. In Buda, visit Fishermen's Bastion and Matthias Church. Enjoy lunch aboard with the rest of the day to explore on your own—you may wish to visit the Art Nouveau Gellért Spa. Return to your ship for a traditional Hungarian farewell dinner. (B, L, D)

This itinerary is also available in the reverse direction. Port sequence, places visited, tours and times may vary or be different from those shown above.

DID YOU KNOW?

Salzburg, birthplace of Mozart

Many know that Salzburg is the birthplace of Wolfgang Amadeus Mozart, whose childhood home can still be seen there. But here is a surprising secret: impatient to realize his career ambitions, the child prodigy was eager to leave Salzburg behind and go to Vienna, then the center of the classical music scene. Nevertheless, Salzburg proudly celebrates Mozart's life and career with annual Mozart festivals and wonderful concerts year-round.

A few highlights of your journey

The World's Largest Art Museum

Over the span of 250 years, the collection of the State Hermitage Museum in St. Petersburg, Russia, has grown to more than three million items including works from noted artists such as da Vinci, Michelangelo and Rubens as well as Cézanne, van Gogh and Picasso. These treasures are housed along the embankment of the Neva River, in the heart of St. Petersburg. The highlight in this architectural ensemble is the Winter Palace, former residence of Russian Tsars including Catherine the Great—just one of the works of art you will see on your tour.

A Legend Restored

Constructed of amber panels backed with gold leaf and mirrors, the Amber Room was given to Peter the Great by a Prussian King in 1716. Installed at Catherine's Palace in Pushkin, it was later extended to cover nearly 600 square feet with over six tons of amber.

During World War II, German soldiers disassembled the room and it was never seen again. In 2003, a painstaking reconstruction was completed, enabling visitors to once again enjoy its brilliance. Admire it on your palace tour.

The Heart of Moscow

In Russian, the word *kremlin* refers to any major fortified complex. But in Moscow there is one very special

✣ See the Hermitage's glories

Kremlin, adjacent to Red Square. Inside its crenellated red brick walls you will see four palaces and a variety of churches, monasteries and official buildings—as well as one enormous bell. It also serves as the official residence of Russia's President.

A few highlights of your journey

A Monastery of Caves

Founded by Greek Orthodox monks in the 11th century, Kiev's Monastery of the Caves is an extensive complex of churches and museums encompassing bell towers, cathedrals connected by a network of underground passages and fortification walls. Together with the iconic domed St. Sophia Cathedral, this UNESCO World Heritage Site is a major center of the Eastern Orthodox faith. Explore the Cave Monastery—one of the Seven Wonders of Ukraine—and St. Sophia on your Kiev tour.

Cossack Culture

Spend a morning in Zaporozhye, ancestral home of the Cossacks. Learn about the history of this proud people at the Cossack Museum of Khortitsa, then enjoy a special show of Cossack horsemanship, music and dance. Back on board, sample Ukrainian tea and local treats.

Yalta's White Palace

Enjoy a morning tour of Yalta. Travel along Lenin Embankment to Alexander Nevsky Cathedral and Livadia. Visit the White Palace, site of the 1945 Yalta Conference between Roosevelt, Stalin and Churchill, and take a guided tour through official halls and private apartments of the tsar's family. This afternoon, explore at your leisure or choose an optional tour to the Nikita Botanical Garden featuring 50,000 plant species.

Tour the White Palace in Yalta

Potemkin Steps

Made in 1925, Sergei M. Eisenstein's film "Battleship Potemkin" remains a cinematic classic. You may have seen a clip of its most famous scene, which takes place on Odessa's Potemkin Steps—which you will see for yourself on your tour.

FROM RIVERS TO OCEANS

Join us as we usher in a new era of ocean cruising by taking the innovative thinking behind our award-winning river cruises and bringing it to the epic setting of the sea. We have asked our guests, listened, observed—and now crafted the ultimate kind of cruise: *one focused on destinations*. And in 2015, we will take destination cruising from the rivers to the ocean with the maiden season of the beautiful *Viking Star*. Our river cruises are designed so you experience destinations up close and in depth. Now, *we reinvented the nature of the ocean cruise: custom-crafting itineraries for more time in port, so you can really explore*—whether experiencing excursions or discovering off-the-beaten-path adventures that enrich your journey.

IT'S ALL ABOUT VALUE

At Viking, we firmly believe that you should not have to open your wallet every time you want a coffee, a glass of wine or an excursion ashore. Instead, our goal is to provide you with great value, so we've designed our cruises to give you more for your money with a cruise fare that includes everything you need from meals and beverages to shore excursions and free Wi-Fi. What do all these extras add up to? Although you can never put a price on hospitality, **all your included options have a value of more than $2,400 per couple for an average cruise** over other cruise lines. That is the power of *Viking Inclusive Cruising*.

Viking Inclusive Cruising provides you with outstanding value. Just look at what is included in your ocean cruise fare:

- Guided excursion in each port of call
- Private veranda staterooms with king-size beds and spacious showers
- Free Wi-Fi
- All onboard meals plus wine/beer/soft drinks with lunch and dinner
- Coffee/tea/soft drinks any time
- Culture Curriculum: destination-related classes, performances and demonstrations of music, art, cooking, history and film
- Self-service laundry and 24-hour room service
- All port charges and government taxes

Enjoy the benefits of small-ship ocean cruising at a fantastic value.

EXPLORE YOUR

DESTINATION

Travel should be so much more than just a trip, and we believe the best way to understand a country is through enrichment. On our ocean cruises, just like our river cruises, *you experience and explore each destination* by immersing yourself in its food, culture and customs. We have a history of providing our guests a way to get below the surface, not just "check off" each port. *That's why our ocean cruises are centered around where you go, not just how you get there.* Learn about your destination and immerse yourself in history, music, art and cuisine via enrichment lectures that bring history to life; excursions led by local guides in every port of call; in-depth pre-trip materials; and on-demand programming—all designed to help you experience the most from your travels.
