THE UNESCO-DESIGNATED WACHAU VALLEY, DANUBE RIVER, AUSTRIA

OUR STORY

AmaWaterways was founded in 2002 by three families, but our river cruise story began well before that. Co-founder and President Rudi Schreiner was born in Vienna, at the heart of the Danube. In 1975, as part of a journalism assignment, he designed his first ship, a raft he took along the Amazon River. Soon thereafter he started working in travel, creating unique tour experiences in Europe.

"There are certain experiences in life that end up drawing you down a path you had never envisioned yourself taking. My Amazon River trip made me want to help more people discover the joy of traveling through a country by river – and creating AmaWaterways with Kristin and Jimmy made this dream a reality." – Rudi Schreiner

When the Rhine-Main-Danube Canal was built in 1992, Rudi became a driving force in the river cruising industry. He later teamed up with co-founders Kristin Karst and Jimmy Murphy to start AmaWaterways.

Born in Germany, Kristin brings extensive experience in travel, river cruising and customer service in her role as Executive Vice President. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son, Gary, now carries on his father's legacy in his role as Senior Vice President of Sales.

"Travel has been my life's passion and my greatest source of inspiration and creativity. I am very proud of AmaWaterways' success – it has taken grit, optimism and the insight to surround ourselves with really talented people who treat every new challenge as an opportunity to think differently and create something new that helps us stand out from the crowd." – Kristin Karst

"We are proud to represent a product and river cruise experience that is enjoyed by travelers of all ages. We are truly inclusive, not only in our product delivery and everything we include in our price, but also inclusive of all ages, ethnic backgrounds and family compositions." – Gary Murphy

LEADING THE WAY

“Ama” means love – and we put love in everything we do. Family-owned and -operated, we pride ourselves on our passion for river cruising, unparalleled service, exquisite *La Chaîne des Rôtisseurs* dining, and our innovations, which range from staterooms with unique “twin balconies” to included shore excursions featuring active biking and hiking adventures to the AmaMagna, twice the width of traditional river cruise ships.

Since 2002, AmaWaterways has offered unforgettable river cruises aboard award-winning ships sailing legendary rivers through the heart of Europe, Asia and Africa. We do what we love every day, treating guests to journeys of a lifetime.

With the highest-rated ships in Europe according to the third edition of *Berlitz: River Cruising in Europe & the USA*, AmaWaterways has received countless honors and accolades, including 2018 *AFAR* and *USA Today* 10 Best Readers’ Choice Awards for “Best River Cruise Line,” as well as 2018 *Cruise Critic* Editors’ Picks for “Best River Cruise Line for Active Cruisers.”

“We won’t even think of going anywhere else. AmaWaterways gets nothing but rave reviews from us.” – Calvin B., loyal guest

HIGHEST RATED SHIPS IN EUROPE

Berlitz rated 325 European and US river cruise ships using a grading system based on 500 points in five areas: hardware/facilities, accommodations, cuisine, service/hospitality and other onboard features. AmaWaterways earned six of the top ten spots, including the top three rated ships in Europe—AmaKristina, AmaViola and AmaStella—in the third edition of *Berlitz: River Cruising in Europe & USA* travel guide. Throughout all editions, AmaWaterways has consistently earned the number one rated ship.

“AmaWaterways spends considerably more on high-quality food ingredients and wine and hotel crew service training than any other river cruise company.”

– Douglas Ward, *Berlitz River Cruising in Europe*

Note: A number of new ships have joined our fleet since the Berlitz guide was published: AmaSiena, AmaLea, AmaMora, AmaDouro and AmaMagna.

TRUFFLE HUNTING IN AVIGNON, FRANCE

Special Interest Tour

Shared by Cruise Manager Rachel

It's not an excursion but an experience. The drive between the ship and the truffle farm is a moving postcard where you can see the Provencale landscape you have always imagined: quaint little villages, blooming fields, sunshine, and, if you are lucky, miles of lavender!

On this experience you will learn more about the truffle business from the perspective of the actual truffle farm owner, visit their house and meet their family. They will make you feel cozy and welcome!

And when you think things couldn't be better, the star of the show comes: "LE" DOG.

You will be smelling truffles until you get back home and there is a truffle tasting to put your palate in heaven. You can even buy delicious truffle products to take back home.

WINE CRUISES

Uncork local traditions and savor intense flavors during one of our more than 60 exclusive Wine Cruises. Offering enhanced epicurean experiences included in the price of your cruise, these thrilling wine-themed cruises sail through Austria's UNESCO-designated Wachau Valley; France's celebrated Bordeaux area and equally distinguished Côtes du Rhône region; Portugal's Douro Valley, the oldest demarcated wine region in the world; and Germany's breathtaking Rheingau, Franconia and Moselle regions.

And no matter which region inspires you most, you'll be accompanied by a Wine Host, a dedicated wine expert from a North American winery, who will lead you through tantalizing tastings, engaging discussions and a special food and wine pairing dinner, rounding out your palate-pleasing adventure.

"On our cruise in Bordeaux, we spent a couple of hours talking about flavors, pairings and acidity with the head chef. We were impressed by the level of care he had for ensuring our wine and his cuisine paired perfectly. It made for a truly magical wine pairing dinner on board." – Ryan Levy, Wine Host, Nice Winery

Uncork local tradition at timeless wineries

TASTE THE SWEET LIFE

Celebrate life's sweetest moments and tempt your increasingly refined palate with the delicious array of locally produced wines throughout your journey. Wines such as Moscatel de Favaios, Vinho Verde, Beaujolais, Reisling, Côtes du Rhône, Hermitage, Châteauneuf-du-Pape, Grüner Veltliner, Sauvignon Blanc, Pinot Blanc and Pinot d'Alsace will be among either your favorite varietals or flavors to which you will be introduced, depending on your itinerary.

PREMIER VINEYARDS & CELLAR TOURS

One of the most delightful aspects of Wine Cruises is visiting Europe's unique vineyards and wineries. Walk through France's Saint-Émilion and then visit the 14th-century Château de Montaigne, the former residence of French philosopher Michel de Montaigne. Or visit Würzburg, Germany's stunning UNESCO-designated Residenz Palace, home to a beautiful wine cellar. These are only a few of the amazing places you will experience.

AUTHENTIC ENCOUNTERS

Authentic encounters add to the rich tapestry of local culture, always making for memorable encounters. Walk alongside artisans and vintners through the same fields in which their ancestors toiled. Learn how best to pair decadent chocolate with wine; discover how olives transform into the Mediterranean's prized nectar, olive oil; or be tempted by everything from apricot jams and strudels to apricot brandy while in Austria's enchanting Wachau Valley.

WINE CRUISES

Rivers and wine flow seamlessly together on these incredible Wine Cruises offered by AmaWaterways, with exclusive onboard activities and immersive shore excursions available at no extra cost. Together with your friendly and insightful Wine Host, you'll forge a deep personal connection with the distinctive flavors of Europe.

THE RIVERS OF EUROPE

Along Europe's legendary rivers and waterways – the Danube, Rhine, Main and Moselle, and Dutch and Belgian waterways – major trade routes were born, generations of timeless traditions and legends were created, castles and fortresses were built, wars brought destruction and historic capitals were reimagined as modern metropolises. From fascinating art and architecture to sumptuous food and wine, you'll fall in love with everything the heart of Europe has to offer.

Dutch and Belgian Waterways

Belgium and the Netherlands sit below sea level and encompass the land around the Rhine Delta and North Sea. These so-called “Low Countries” are particularly susceptible to flooding; however, with such protective defenses as Zuider Zee and the Delta Works Projects, the regions have prospered and have given way to countless canals crisscrossing these countries.

The Danube

Europe's second longest river and inspiration for Strauss's famous “Blue Danube” waltz, the Danube River passes through 10 countries and four capital cities—Vienna, Bratislava, Budapest and Belgrade. The UNESCO-designated Wachau Valley and spectacular Iron Gates are among its most majestic natural wonders.

The Rhine, Main and Moselle

The Rhine River flows through Switzerland, France, Germany and the Netherlands. Its upper middle valley—a designated UNESCO World Heritage Site—stretches for 40 miles and houses more than 40 castles and fortresses from the Middle Ages. The Rhine has two major tributaries: the Moselle, which flows past dramatic vineyard-clad landscapes and medieval towns with looming castles rising high above; and the Main, home to the 106-mile manmade marvel known as the Main-Danube Canal, which allows travel from the North Sea all the way to the Black Sea.

For more information on the rivers we travel along in France, Portugal and Spain, please see page 108.

Day 2, BUDAPEST. Budapest is one of Europe's most regal and storied cities—and many of its iconic sights are just off the banks of the Danube. Today's tour takes you to the Jewish Quarter, including the Great Synagogue, the largest in Europe and the second largest in the world. Walk around the Parliament building where you'll see Holocaust Memorial and Shoes on the Danube. Afterwards, visit the Opera House, an architectural gem, and the Citadel, offering magnificent views of the city. (B)

Day 3, BUDAPEST – EMBARKATION. Check out of your hotel to board the ultra-luxurious AmaMagna. Cap the day off with a special evening illuminations cruise. (B,D)

Day 4, BUDAPEST. Budapest offers an unmatched combination of culture and tradition. Visit the Great Market Hall before going to both the Buda (hilly) and the Pest (flat) sides of the river. You'll see Heroes' Square and Castle Hill, home to the Fisherman's Bastion and Matthias Church. As an alternative, hike up to Castle Hill for breathtaking views of the city. During the afternoon, sail out of Budapest, passing through the scenic Danube Bend where you'll see some of Hungary's oldest settlements, including Esztergom, Visegrád and Szentendre. (B,L,D)

Day 5, BRATISLAVA, SLOVAKIA. Host to the crowning ceremonies of 11 Hungarian kings and queens between 1536 and 1830, Bratislava certainly has earned the title "Coronation City of Kings," as you'll discover during your walking tour. Or join a special "Tastes of Slovakia" tour. For a more active adventure, pedal through charming Bratislava beneath the gaze of its gleaming castle. (B,L,D)

Day 6, VIENNA, AUSTRIA. Vienna offers a wealth of gems and your city tour showcases its regal splendors, including the majestic Opera House and the former Imperial Palace of the Habsburgs. Conclude your tour in Vienna's historic city center, and then visit St. Stephen's Cathedral; or discover Vienna by bike. During the afternoon, you can enjoy leisure time, exploring Vienna on your own; or you can visit the UNESCO-designated Schönbrunn Palace and Gardens, the main summer residence of the Habsburg rulers. Built in the 18th century as an imperial summer residence, this magnificent 1,441-room Baroque palace is one of the most important architectural, cultural and historical monuments in Austria. (B,L,D)

Those who wish a more active adventure of the area can cycle from Krems to Spitz. During the afternoon, cruise through the vineyard-rich Wachau Valley—one of the most beautiful river valleys in Europe, where some of Austria's finest white wines are produced—to Spitz. Once in Spitz, you can visit the 900-year-old Melk Abbey situated high atop the granite cliffs of the Danube; or get active with either a biking or hiking adventure. During the evening, be treated to an exclusive wine festival where you'll enjoy some of the regions famous wines, including Grüner Veltliner and Riesling, as well as music and dancing. (B,L,D)

Day 8, LINZ. Join a walking tour through the old city center of Linz and by the Mozart House; or bike along the city's famed "Cultural Mile" and the Danube. For those who love *The Sound of Music*, enjoy a full-day excursion to Salzburg and tour the historic center, Mirabell Gardens, Residenz Square and the Old Market. En route to Salzburg, stop at Mondsee, home of the Basilica St. Michael, where the famous wedding scene in the movie was filmed. In the afternoon, you have the choice to visit the charming Czech mountain town of Český Krumlov. (B,L,D)

Day 9, PASSAU, GERMANY. En route to Passau, cruise through the dramatic Schlögener Schlinge (Horseshoe Bend), considered a "Natural Wonder of Austria" in 2008. Once in Passau, join a walking tour and marvel at Passau's Gothic and Italian Baroque architecture and St. Stephen's

FRANCE, PORTUGAL & SPAIN

Historic wine estates and châteaux, interactive wine museums and famed artists' haunting grounds showcase the very best of France along its Garonne, Dordogne, Seine and Rhône rivers. Portugal's Douro River offers fortified villages and romantic vineyards clinging to the sides of its dramatic slopes along its riverbanks. Both regions offer some of the world's most spectacular UNESCO World Heritage Sites.

The Seine and Rhône

The Seine flows through Paris and continues westward through Normandy to the English Channel. Some of its most striking features are the dramatic chalk cliffs that peek out above Les Andelys. The Rhône links thousands of vineyards and wineries in southeastern France and offers a wealth of artifacts and ruins, showcasing its prominent role in the development of cities in France.

The Garonne, Dordogne and Gironde Estuary

The Garonne and Dordogne rivers merge together to form the Gironde Estuary, which naturally divides the Bordeaux region into the Left and Right banks, each offering distinctive wines. Travelers from around the world flock to this region known for its wine and other tantalizing gastronomic delights.

The Douro

This major river of the Iberian Peninsula flows from its source in Spain to its outlet in Northern Portugal, giving life to the region's Old-World villages and picturesque cities. It is here where river cruisers discover the Douro River Valley, the birthplace of Port wine and a designated UNESCO World Heritage Site.

Day 5, LE HAVRE. Choose between an excursion to the seaside town of Honfleur, renowned for its picturesque harbor, or enjoy a full-day excursion that includes Honfleur and the Pays d'Auge region of Normandy, where apple cider, Calvados and pommeau outrank French wine. Take a country drive through Beaumont-en-Auge and Pont l'Eveque, and afterwards, be treated to a cheese and Calvados tasting. During the afternoon, join a city tour of UNESCO-designated Le Havre. Alternatively, you have the choice of a bike tour through Le Havre. (B,L,D)

Day 6, LE HAVRE – NORMANDY BEACHES – CAUDEBEC EN CAUX. For those wishing to go to the American sector of the historic Normandy Beaches, you will visit the cemetery at Colleville-sur-Mer, Omaha Beach, the artillery battery at Longues-sur-Mer and the village of Arromanches, where the remains of the floating harbor used during the

WWII landings can be seen. If you prefer, you can tour the Gold and Juno beaches in the British and Canadian sectors, where you will visit Ranville Cemetery, Pegasus Bridge, the Canadian cemetery at Beny-sur-Mer, the WWII museum in Courseulles and, finally, Arranches. Or, follow the Romanesque Normandy Abbey Route to one of the magnificent historic abbeys of the region in the afternoon. You may also journey back in time with the interactive exhibits and vessels at the Seine Museum. (B,L,D)

Day 7, ROUEN. Join a walking tour past the imposing Notre Dame Cathedral, painted numerous times by Monet, and see the square where Joan of Arc was martyred, as well as the Medieval Quarter and Great Clock. Alternatively, explore Lyons-la-Forêt, built on the site of a former fortress and featuring remarkable centuries-old architecture; taste the delicious flavors of the region, including chocolate, macaron, Norman cheese and cider; or get active by going on a guided bike tour. (B,L,D)

Day 8, VERNON. Enjoy scenic cruising around Vernon, then visit Claude Monet's home, where he lived for more than four decades, in Giverny, recognizing images immortalized in Monet's most beloved paintings—such as water lilies, Japanese bridges and graceful willow trees. Or visit the regal 18th-century Château de Bizy, inspired by the opulence of Versailles. For a more active adventure, go on a guided bike tour, taking in the beautiful French countryside. In the evening, visit the quaint village of La Roche-Guyon, one of the most beautiful in France, and enjoy free time to stroll along the Seine or amid the pretty architecture. (B,L,D)

Day 9, CONFLANS. Travel to Auberge Ravoux in the heart of Auvers-sur-Oise, the last home of artist Vincent van Gogh. His spirit still lingers in his former attic rooms at the Ravoux Inn. The mere 70 days Van Gogh spent here were astonishingly prolific as he painted more than 70 works before his death. Or enjoy the youthful energy of Saint-Germain-des-Prés, with its museums, bookstores, churches and galleries. Alternatively, strap on your helmet and pedal around the city of Conflans. Later, relax as the ship takes you on a scenic cruise on its way to Paris. (B,L,D)

You will also taste a typical Portuguese pastry, Pastéis de Belém, before going to Discoveries Monument, built in honor of Portugal's greatest maritime explorers. (B)

Day 3, LISBON - SINTRA. Enjoy a morning excursion to Serra de Sintra, one of the loveliest mountain villages in Portugal and a favorite summer residence of the Portuguese royal family for more than 500 years. Long an inspiration for artists and poets, Lord Byron once called it "perhaps the most delightful village in Europe." High up on a rocky peak, you will tour Pena Palace, a wonderful fairytale castle dating back to Portugal's Romantic period. (B)

You'll also enjoy a tasting of Port, Portugal's most renowned contribution to the world of wine. If you prefer to get more active, go on a guided hike and then enjoy a Port wine tasting. all of Portugal, where you'll go to the Nossa Senhora dos Remédios (Sanctuary of Our Lady of Remedies). The shrine features a staircase of nearly 700 steps, beautifully decorated with white and blue tiles, which the more active adventurer will want to climb on a guided hike. Concluding both tours, you will have the opportunity to sample local traditional specialties, such as bôlas de Lamego, bread filled with smoked ham; presunto, a type of dry-cured ham; and Espumante, a Portuguese sparkling wine. You'll then go to the formal Episcopal Palace Museum. Later in the day, savor the flavors of Portugal's renowned fortified wine, vinho do porto, made exclusively in the Douro Valley. Head to a local quinta for your authentic Port-wine tasting experience and enjoy the sweet nectar of this fascinating region. (B,L,D)

Day 7, BARCA D'ALVA. Spend time soaking up the beauty of the Douro River as you cruise to Barca d'Alva, where you will visit Castelo Rodrigo, a small fortified village perched high on a hilltop with centuries-old walls, steep narrow streets and fantastic views. Pricing: All prices are in US dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel agent or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

Prices Do Not Include: Published prices do not include airfare, vessel fuel surcharges; passport and visa fees; baggage fees; port charges and fees; travel protection; vaccinations; laundry; additional food and beverages; optional excursions; gratuities or other items or services of a personal nature.

Passport and Visas: A valid passport is required for each participant. Passports must be valid for at least six (6) months after the scheduled return date to your home country. For travel to Asia, we require a copy of your valid passport prior to or at final payment. If not received at this time, embarkation may be denied and cancellation penalties will apply. Guests on the Vietnam/Cambodia Cruise & Land program must obtain a Multiple Entry Visa for Vietnam, as they will have two different points of entry into Vietnam, and a Single Entry Visa for Cambodia. Guests on the cruise only Vietnam/Cambodia itinerary will require a single entry visa for Vietnam and Cambodia. For travel to Africa, a valid passport with 8 open/non-stamped pages is required. At publication time, a visa is required for a US citizen to travel to Vietnam, Cambodia, Rwanda, Tanzania and Zimbabwe (as well as numerous other countries). Non-US citizens must consult the appropriate consulates regarding visa and other document requirements. Obtaining required visas and

any other required travel documentation, and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant’s visa or other required documentation and shall not be responsible or liable for delay or missed portion of any part of the itinerary or other problems resulting from the participant lacking the appropriate travel documentation.

Travel Documents: Only after receipt of full payment, travel documents (including airline confirmation information, if applicable) will be sent by regular ground delivery (US & Canada), approximately 3-4 weeks prior to departure. (Delay in final payment will delay delivery of travel documents.) Expedited delivery may be possible for an additional charge.

FLIGHTS & AIRPORT TRANSFERS

Flight Schedules & Airfares: AmaWaterways offers special airfares based on the flight and seat availability of contracted carriers. We are able to accept a traveler’s choice of preferred air carrier, flight schedule, and some deviations so long as the requests are made at the time of booking the airline reservation. To hold/confirm an airline reservation, the airlines require your full legal name as it appears on your passport. For contract airline fares a deposit of \$350 per person (economy class tickets) or \$600 per person (business/first-class tickets) is required to secure the flight schedule and quoted price. Published airfare prices require full payment at the time of reservation. Once the airfare deposit or full payment is received your airline tickets will be issued and any changes will be subject to penalty if not cancelled within 24 hours of ticketing. Should the name on your airline reservation not match your passport exactly, your airline reservation will have to be cancelled, full penalties will be assessed and your reservation will have to be recreated subject to market pricing at the time of the new reservation.

Air tickets are Economy class. Upgrading to Premium Economy, Business or First Class is possible for an additional charge pursuant to the terms and conditions of the relevant airline(s). AmaWaterways guarantees upgrades for long-haul flights, but not U.S. Domestic flights, intra-Europe, intra-Asia and intra-Africa flights. Upgrades may not be possible when an air carrier changes the schedule, aircraft type, experiences a strike, overbooking or flight interruption of any kind. Air carriers reserve the right to do all the above. In such cases, all claims for airfare adjustment must be requested directly to the air carrier.

Air carriers require the passenger name to appear on the airline ticket exactly it appears on the passport. If it does not match exactly, AmaWaterways shall not be responsible or liable for the consequences which could include re-issue fees or denial of boarding. AmaWaterways shall not be responsible or liable for costs resulting from airline schedule changes, lost air ticket, delay, disruption or cancelled flight, lost or damaged baggage, missed connections, downgrades, denied boarding or voluntarily buying replacement tickets without the express consent of the air carrier. In any of these instances, claim must be made directly with the air carrier.

Changes: Airline tickets issued by AmaWaterways have restrictions and cannot be reissued, transferred, or
